4 (Commissioner Burton not present).

5 COMMISSIONER BELL: Good afternoon.

6 AUDIENCE: Good afternoon.

7 COMMISSIONER BELL: Good afternoon. Welcome
8 to the weekly afternoon meeting of the Board of Police
9 Commissioners. I am Willie Bell, the Vice Chair of the
10 Board. Our Chair, Lisa Carter, is running a little bit
11 late, but she will be in attendance. So I would like
12 to ask Commissioner Shelby to open up with an opening
13 prayer, please.

14 COMMISSIONER SHELBY: Bow our heads and let
15 us pray.

16 Our dear heavenly Father, we come first
17 thanking you for the goodness and mercy toward us. We
18 ask that you continue to bless our city and give wisdom
19 to those elected to oversee this great city. We ask
20 that you bless this meeting and those you gathered
21 today. This we pray in Jesus' name.

22 Amen.

23 AUDIENCE: Amen.

24 COMMISSIONER BELL: Thank you, Commissioner
25 Shelby.

1 And our Secretary to the Board, George
2 Anthony, is absent this afternoon.

3 I am going to ask our attorney to the Board,
4 Linda Bernard, to introduce and have a rollcall
5 actually of the Board.

6 ATTORNEY BERNARD: Thank you, Mr. Chairman.

17 COMMISSIONER MALLETT: Here.

18 ATTORNEY BERNARD: Ricardo R. Moore?

19 COMMISSIONER MOORE: Present.

20 ATTORNEY BERNARD: Richard Shelby?

21 COMMISSIONER SHELBY: Present.

22 ATTORNEY BERNARD: Bishop Edgar Vann. He is
23 excused, Mr. Chairman.

24 And Donnell White is also excused.

25 Mr. Chairman, you have a quorum.

1 COMMISSIONER BELL: Thank you, Madam
2 Attorney.

3 I would like to introduce, he need no
4 introduction, but for the record, Assistant Chief Steve
5 Dolunt.

6 A.C. DOLUNT: Hi.

7 COMMISSIONER BELL: Good to see you, sir.

8 A.C. DOLUNT: It is good to be alive.

9 COMMISSIONER BELL: That is true.

10 A.C. DOLUNT: That is true.

11 COMMISSIONER BELL: Ms. Bernard, would you
12 introduce the staff of the Board of Police
13 Commissioners, please.

14 ATTORNEY BERNARD: Yes. Mr. Abdullah Nelson,
15 Supervising Investigator for the Office of the Chief
16 Investigator. Gail is not here. Robert Brown, the
17 Administrative Assistant to the Board of Police
18 Commissioners. And our court recorders for today are
19 Sergeant Alan Quinn, and Rhonda Foster who is our court
20 reporter. That concludes the introductions,
21 Mr. Chairman.

22 COMMISSIONER BELL: Thank you.

23 Assistant Chief, you want to introduce any
24 staff members of DPD?

25 A.C. DOLUNT: And I have Lieutenant Kurt

1 Worboys in the back. He's wearing a suit. I didn't
2 recognize him.

3 I have got Commander Tommy Thomas. He should
4 be wearing a tie, but he is not.

5 What are you doing here?

6 UNIDENTIFIED SPEAKER: Standing, sir.
7 Talking to you. I have a question later on.

8 A.C. DOLUNT: Oh, so you are here as
9 assistant. Then I won't introduce you. Okay. We're
10 good.

11 COMMISSIONER BELL: We're good. Okay.

12 Mr. Bernard, as we go forward, in terms of
13 approving the agenda for this meeting, I would like to
14 delete on your printout OCI monthly update of -- Chief
15 Investigator Drake is absent, excused for vacation.
16 And we would have that perhaps next week or the week
17 afterwards, if that would be permissible by the Board
18 at this time.

19 So I will ask them for approval of the agenda
20 for Thursday, October 22nd.

21 COMMISSIONER MALLETT: So moved.

22 COMMISSIONER DEWAELSCHÉ: Support.

23 COMMISSIONER BELL: It has been properly
24 moved and supported.

25 Ready for the questions.

1 Those in favor?

2 COMMISSIONERS: Aye.

3 COMMISSIONER BELL: Those opposed?

4 Motion carried.

5 The next item would be approval of the
6 minutes from Thursday, October the 15th, 2015. What is
7 the pleasure of the Board?

8 COMMISSIONER CRAWFORD: So moved.

9 COMMISSIONER MOORE: Support.

10 COMMISSIONER BELL: It's been properly moved
11 and supported.

12 Discussion?

13 Those in favor, aye?

14 COMMISSIONERS: Aye.

15 COMMISSIONER BELL: Those disapprove, nay?

16 Motion carried.

17 Thank you.

18 And since I am the Vice Chair, I do not have
19 a report for the Chair, and perhaps she will be
20 reporting out later on at the meeting.

21 So we can move forward with our third item,
22 Officer Report would be Karen Sommerville on Monarch
23 Wings, Co-founder, Executive Director.

24 Would you please come forward.

25 MS. SOMMERVILLE: Thank you, Commissioner

1 Willie Bell. And it is an honor and a privilege to be
2 in front of you today to speak about this topic of
3 human trafficking.

4 As I know that we are all aware --

5 COMMISSIONER BELL: Introduce yourself
6 properly with your name and title, I'd appreciate that.

7 MS. SOMMERVILLE: Yes, sir. My name is Karen
8 Sommerville. And I am the Executive Director and
9 Co-founder of Monarch Wings, a nonprofit that is
10 dedicated to addressing the housing piece of
11 restoration for survivors of prostitution, addiction
12 and human trafficking.

13 COMMISSIONER BELL: Thank you.

14 MS. SOMMERVILLE: Thank you.

15 It is a privilege to be here. I know that
16 the City of Detroit, as well as the Metro Area, is very
17 aware of the topic of human trafficking, as the Federal
18 agencies in conjunction with Michigan State Police and
19 several local police departments in the Southeast
20 Michigan area just carried out Operation Cross
21 Country 9.

22 So I have some updated stats to also bring to
23 you today. But this topic of human trafficking is a
24 very hot topic, and it is something that our Attorney
25 General and our Governor has chosen to address. And it

1 includes many things. I think in the media sometimes
2 we get confused and we think that human trafficking
3 equals sex trafficking. And it does not. There is a
4 labor component to it; hence, these pictures which
5 reflect several different types of labor trafficking as
6 well as sex trafficking. And we have both in our
7 state.

8 Many people ask what is -- who is being
9 trafficked? We know that there is about 2 million
10 children that are being exploited in the global
11 commercial sex trade. Eighty percent of them are
12 women, 60 percent are children, but I think the
13 statistic that grounded me and riveted me the most as a
14 citizen investigating this topic was the FBI's 100,000
15 to 300,000 American children are being trafficked each
16 year within our borders.

17 And I come from an educational background. I
18 have taught young adults as well as teenagers. And I
19 had one year in elementary school. And children are
20 very dear to my heart.

21 (Commissioner Burton entered at about 3:08
22 p.m.)

23 MS. SOMMERVILLE: So I walked away from a
24 career and wound up founding Monarch Wings with another
25 woman.

1 According to the Trafficking of Persons
2 Report, we have 161 countries that are affected by it.
3 And as Linda Bernard, you mentioned it, it is the
4 second most lucrative crime growing behind drugs.

5 But the Governor on March 4th of this year
6 decided to add a new team to the State Human
7 Trafficking Commission to enhance crime fighting
8 strategy. And that is very exciting to law
9 enforcement.

10 So this is a picture taken from Channel 7 of
11 the recent sting for the Operation Cross Country. And
12 Detroit recovered 19 children and 12 pimps. And we
13 were second behind Colorado. And Denver was extended
14 into three different states. And our victims were
15 recovered in the Metro Detroit area, which is such a
16 compliment to the efficiency of the task force that we
17 have here in Michigan working on this issue.

18 What I found very interesting is this
19 incredible collaborative effort. And I have trained a
20 bit with Michigan State Police and been exposed to
21 local law enforcement that's been participating with
22 the Southeast Michigan Crimes Against Children,
23 otherwise known as SEMCAC. And the level of
24 cooperation among all of these different levels is
25 quite impressive to see. Wayne County Prosecutor's

1 Office, the Michigan State Police, the Michigan
2 Attorney General's Office, the U.S. Attorney General's
3 Office for the Eastern Division of Michigan all
4 participated with local police departments in this
5 effort.

6 A lot of times I am asked as I speak in
7 various venues, where are traffickers recruiting? And
8 this actually comes from a list from the Polaris
9 Project: Middle schools and high schools, courtrooms,
10 courtroom buildings and hallways, foster homes, bus
11 stations, as well as homeless shelters, halfway houses,
12 restaurants and bars, parks and playgrounds and malls.
13 Anywhere where young people gather, they go. And they
14 are very astute at finding a need and filling it in the
15 lives of our youth.

16 I think that I submitted electronically the
17 Attorney General's Report. I would like to highlight
18 the things that impacted me.

19 There are only three Michigan-based providers
20 that are exclusively dedicated to servicing trafficking
21 victims. Two of those are restorative residential
22 programs on the West Side of the state. And the third
23 is the Michigan -- University of Michigan Human
24 Trafficking Law Clinic that Dr. Bridgett Carr runs.

25 But in that survey that the Attorney General

1 sent out, there were 312 is the total number of
2 trafficking victims that were served in the two years
3 that he was sampling from. And that report was
4 published in 2013. Three providers reported serving
5 174 trafficking victims.

6 (Commissioner Burton exited at about 3:11
7 p.m.)

8 MS. SOMMERVILLE: And 22 other respondents
9 reporting serving a total of 138 victims. And that is
10 quite significant.

11 Where do these victims stay to heal from
12 their distinctive emotional, mental, spiritual and
13 physical impact? We have no safe houses here in
14 Southeast Michigan.

15 I am part of a larger group of people who are
16 addressing this issue on various levels. And there are
17 several of us working toward providing that piece. But
18 law enforcement states to us over and over in the
19 trainings that we have been able to participate in that
20 this is a real problem in our state.

21 And so my co-founder and I founded Monarch
22 Wings in 2013. And we got our nonprofit status last
23 year in the fall. And our goal is to build a community
24 of women that are helping women to help them transform
25 their lives.

1 The goal for us is a two-pronged process.
2 One is the restorative programs in our safe house that
3 we are targeting to purchase a home in Pontiac in the
4 end of the year. And I have been building an ecosystem
5 of direct service providers and making networks into my
6 community so that we would be able to open by April of
7 next year.

8 But the other second component is the
9 awareness raising. And so there have been several of
10 us on our Board who have been doing training so that we
11 can go and be a voice in the community. Because I
12 really think when the community collectively gathers to
13 say not here, not your children, not mine, we don't
14 want this, it can help law enforcement and we can be a
15 benefit to the greater community at large.

16 So as I said, a little bit of our timeline,
17 purchase in Pontiac by the end of the year. Open in
18 April. By the summer we will make appropriate upgrades
19 on the house, that would be the home that we are
20 targeting. In Winter of 2016, we would love to start
21 with a second house, and then launch a social
22 enterprise by Summer of 2017.

23 Our budget is about 300,000 for housing
24 capital improvements. We need about \$115,000
25 investment in order to sustain these women free to them

1 in this two-year program. For the first six months it
2 is really about healing them and providing the trauma
3 therapy that they need, the evidence-based
4 victim-centered trauma therapy that they need,
5 assessing their skills, whether they need their GED,
6 whether they need computer skills, and providing those
7 for them. Operating expenses will be about 80,000.
8 And we are doing a fundraising to try to get to the end
9 of the year strong.

10 We are hoping that our sources will be
11 synagogues and churches, individual donors, businesses,
12 and special programs that we will be doing. We are
13 going to be a part of the CrowdRise Giving Tower, which
14 is an online fundraising platform. And they do this
15 every year. So we are very excited about that.

16 These are some of the stakeholders that we
17 have identified. Detective Sergeant Ed Price is of the
18 Michigan State Police. We actually invited him to join
19 our Board and he consented. So we are very honored to
20 have such a distinguished person serving us as we move
21 forward. And the Governor's Commission members, the
22 Center for Success in Pontiac, the Pontiac Dream
23 Center, we have connections with some physicians in the
24 medical community, and the legal community, social
25 workers, synagogues, churches and other volunteers.

1 There is many ways to get involved, but for
2 us, we want to raise awareness by being able to speak
3 at groups. And we are encouraging others to volunteer
4 their time and talent where they can. For us, the
5 housing piece is absolutely critical to the restorative
6 process. The social enterprise will follow once we are
7 successful.

8 I am introducing you to the woman in the
9 center. Her name is Donna Dozier. I met her in
10 Nashville in the month of June. Four of us from our
11 Board traveled down to see an organization called
12 Thistle Farms. They have a two-year residential
13 program under their business model called Magdalene.
14 And they have been doing the work that they are doing
15 for over 20 years. And their clinical data is very
16 impressive.

17 Donna grew up just off of Telegraph south of
18 Seven Mile. And was so tired of prostituting herself.
19 Through an ex-boyfriend's ex-girlfriend, she got the
20 name and number of Thistle Farms. And she called the
21 Magdalene program and asked to go down. And they
22 created space for her. And I met her this summer when
23 she was up visiting family. She went there because
24 there was nothing for her here as a mature woman to
25 access to have recovery. So she is willing to come

1 back and run our peer-to-peer counseling. So I am
2 really hoping that that will help them.

3 Nashville's program has a social enterprise.
4 They do a restorative program. We are basing ourselves
5 off of them. I was just on a conference call before I
6 came to this meeting of other communities around the
7 nation that are using their model to address this issue
8 at various stages of development.

9 Six months after they begin to heal, the goal
10 is to get them into an employment situation. And
11 because of the nature of their trauma, we want a social
12 enterprise. It does two things. It sustains us, but
13 it also allows them, because their records are very
14 much a deterrent to successful employment, giving them
15 the opportunity to develop positive employment.

16 And I have just more stats. I am more than
17 willing to share those about what we saw in Nashville.
18 And I found their data great.

19 I have left some time for questions. I know
20 that I have been allotted a limited amount of time, but
21 I didn't want to do all the talking in case any of you
22 would like to question me. So I thank you for your
23 attention very much.

24 COMMISSIONER BELL: Thank you.

25 Commissioners, questions or concerns?

1 COMMISSIONER CRAWFORD: Yes, sir. Through
2 the Chair.

3 Yes, ma'am, you talked about a house in
4 Pontiac. Are they looking at housing in Detroit? Have
5 you reached out to the Mayor's office? Because we have
6 quite a large housing stock in the city of Detroit.

7 MS. SOMMERVILLE: Thank you for asking that
8 question. I think because we are a new organization,
9 we have a heart to start in Pontiac, but we do not have
10 a heart to stay in Pontiac only. So the goal for us is
11 to start the process and get our best practices in
12 place and start to collect that clinical data, because
13 we have a vision to do this in Detroit. But I think
14 that we would like to stay small for now to make sure
15 we do it right and do no more harm. And then we would
16 love to have that dialogue. And that could be as early
17 as 2016, honestly.

18 COMMISSIONER CRAWFORD: Yes, ma'am. Thank
19 you.

20 MS. SOMMERVILLE: Thank you.

21 COMMISSIONER SHELBY: Yes, through the Chair.

22 Ms. Sommerville, I think this is a very
23 worthwhile program. And I congratulate you for doing
24 this type of program.

25 What can this Board do to help you?

1 MS. SOMMERVILLE: Well, I wanted to bring
2 this to your attention because part of what we want to
3 do is to get into the community and be able to raise
4 awareness to the signs of human trafficking and provide
5 the community with, where do you turn if you suspect
6 something? And what -- how can you reach out? There
7 may also be a need through law enforcement to place a
8 woman outside of Detroit and to place her somewhere
9 else. And if you know that, you can reach out to us
10 when we are up and running and maybe see if that will
11 be a possibility. But we are available to go into the
12 community and help raise that awareness, looking for
13 the signs, helping with the youth be able to know how
14 to protect themselves.

15 Thank you for that question.

16 COMMISSIONER CRAWFORD: Through the Chair.

17 Next week we are going to have that meeting
18 at 1:30 with the youth. I don't know what's on the
19 agenda, or maybe in the future.

20 COMMISSIONER BELL: Maybe in the future,
21 perhaps that would be more appropriate.

22 COMMISSIONER CRAWFORD: Yes, sir.

23 COMMISSIONER BELL: Especially when we look
24 at perhaps going to the West Side of Detroit for
25 November, perhaps we can entertain that.

1 COMMISSIONER CRAWFORD: Yes.

2 COMMISSIONER BELL: Yes, sir?

3 A.C. DOLUNT: Through the Chair, Chief
4 Dolunt.

5 I have a couple of questions for you.

6 MS. SOMMERVILLE: Yes, sir.

7 A.C. DOLUNT: You know, unfortunately, as
8 police officers, we become jaded at times. And we look
9 at a lot of the young women that are working on the
10 streets as nothing but prostitutes.

11 MS. SOMMERVILLE: Yes, sir.

12 A.C. DOLUNT: And we forget that when they
13 are growing up and going to high school or whatever, no
14 one in their class books as most likely to become a
15 prostitute.

16 So my questions are this: One, is substance
17 abuse counseling available through this?

18 Two, have you ever ridden along with our
19 vice, to check out some of the girls on the street?
20 Because some do want help.

21 Some are so far gone, because it is substance
22 abuse, you know, and then some, unfortunately, because
23 the -- for a better word, their pimps, have done
24 physical and mental abuse to these individuals. Do you
25 offer that kind of counseling, as well.

1 MS. SOMMERVILLE: Yes, sir.

2 A.C. DOLUNT: Just as a safe haven? Okay.

3 MS. SOMMERVILLE: To answer the multiple
4 questions you asked me, that's okay, to answer your
5 question, I have partnered with another organization
6 called All Worthy of Love that actually does outreach
7 on the streets of Detroit. And I specifically asked to
8 ride along with them and to serve with them for a short
9 term to understand more clearly the dynamics in
10 Detroit. And I am one of those kids that never got out
11 of line. I am a rule follower. And so being --
12 wanting to work with this demographic, I realized that
13 I am the antithesis of this. So I wanted to push the
14 buttons on me to understand it. So yes, I have been
15 out.

16 Second, I was invited by Detective Sergeant
17 Ed Price to participate in Operation Cross Country.
18 Things were heating up. So I wasn't able to go out
19 with the Vice, but I was able to watch what they did
20 and observe and interview actually with the young lady
21 whose house was identified on Channel 7. So I have
22 done some of that. And Detective Sergeant does want to
23 take us out on a ride in the future. So yes.

24 Second, I am aware of that severe trauma.
25 And I am aware that the type of hopelessness that they

1 experience is very real. And we -- I have been
2 building an ecosystem for the last four years and
3 networking with therapists and others that we need to
4 build an appropriate program for that restorative
5 piece.

6 We are not going to do drug rehab. There are
7 many institutions that are already up and running in
8 our Metro Area who are very effective at that. But we
9 would be willing to receive a woman after that. And
10 yes, we would be dealing with a 12-step restorative
11 program dealing with addiction and how to build --
12 rebuild your life.

13 And I hope that answers your question.

14 A.C. DOLUNT: All three of them. Thanks.

15 (Commissioner Burton entered at about 3:22
16 p.m.)

17 COMMISSIONER DEWAELESCHE: Mr. Chair, if I
18 may.

19 Yes, I think the program you have is
20 desperately needed. And I hope that you will be
21 working with Detroit women and children.

22 Are you familiar with Alternatives for Girls?
23 Because I know that they don't exclusively work with,
24 you know, this group of people. But they work with
25 young women. And they do have this kind of situation

1 with some of the women and children. So that would be
2 a good organization for you to work with.

3 MS. SOMMERVILLE: Yes. I have actually
4 spoken with Dena. And I saw Dena at the Michigan Human
5 Trafficking Task Force Conference last week, which is
6 why I wasn't here. But yes, they are a wonderful
7 organization. And they deal with many different kinds
8 of addiction --

9 COMMISSIONER DEWAEELSCHE: Right.

10 MS. SOMMERVILLE: -- and different kinds of
11 trauma. And I know that for them, they have sort of
12 been forced to go that way because they have discovered
13 that some of the therapies that they were using were
14 not effective specifically with this demographic. But
15 yes, we are building partnerships wherever because I
16 think if we can all stand together against it, we have
17 better success.

18 COMMISSIONER DEWAEELSCHE: Right. And then I
19 have another question if I may. What are some of the
20 signs that the community can look for, so that they can
21 report maybe some of these activities?

22 MS. SOMMERVILLE: And I will give you a
23 number to report to.

24 Some of the signs can be the -- as --

25 A.C. DOLUNT: Deputy Dolunt.

1 MS. SOMMERVILLE: -- Deputy Dolunt, I was
2 almost going to say your name wrong.

3 A.C. DOLUNT: Everyone does. Don't worry
4 about it.

5 MS. SOMMERVILLE: -- Deputy Dolunt was
6 speaking about is this pimp, a perpetrator, who is a
7 lover boy. That is probably the most common type of
8 bait and switch that we see in the United States.
9 There are many others, but this one just seems to be
10 coming up. And they listen and engage young women in
11 conversation, trying to find out what their needs are.
12 And then they will portray themselves to be a
13 considerate and loving person. And then there is a
14 switch at some point. And I -- to that end, I have
15 shared Hope International's video that they developed
16 called Chosen, and it is the story of a young woman who
17 was actually in the middle of being trafficked. And
18 she tells her story and tells the story of another
19 young lady by the name of Lacy and her story about
20 human trafficking, and in specific, child sex
21 trafficking.

22 So I just lost my train of thought. I am so
23 sorry. That happens.

24 COMMISSIONER DEWAELESCHE: Some of the signs.

25 MS. SOMMERVILLE: Some of the signs. Thank

1 you.

2 So they may appear with unusually expensive
3 gifts. They may have a new purse. They may have
4 something that is of value to them. They may start
5 skipping school. And truancy is another area that I
6 know our educational system needs to kind of look a
7 little deeper underneath the surface, truancy. They
8 often will be tricked to go somewhere. And they will
9 be stripping. Or they may think it is an innocent
10 thing, that they can strip, or they can do escort
11 services. And there has been a lot of research with
12 different universities that have really made that
13 connection between that as a portal to human
14 trafficking. But in this country, it is the pimp. And
15 looking for the things that they don't necessarily have
16 the economic means to purchase appearing with them.

17 Another negative, unfortunately, is using
18 older teenage women, like 16, 17, 18, to recruit middle
19 school aged girls, and 12, 13, 14. So yeah, that's
20 probably the most obvious sign.

21 COMMISSIONER DEWAELESCHE: And then I just
22 thought of one more.

23 With regard to the immigrant community, I
24 would think that there would be, you know, some
25 problems in that area in terms of language, and how

1 would you provide support to that community?

2 MS. SOMMERVILLE: Well, that is a very good
3 question. I think we are going to take it as we roll.
4 I personally am bilingual. I used to live in Argentina
5 in a season of my life. So -- and I have done court
6 interpreting, both simultaneous and consecutive. So if
7 that demographic shows up, I think that we can do that.
8 But if we have other language kids, we would be
9 reaching out and networking to make sure that that
10 happens. In this particular project, this home is not
11 exclusively for sex trafficking victims. We are also
12 open to labor trafficking. Females in the labor
13 trafficking demographic tend to be lower than the
14 males. They are there. So we will just see what
15 happens, because we are just starting.

16 COMMISSIONER DEWAELESCHE: Thank you.

17 MS. SOMMERVILLE: You are welcome. Thank
18 you.

19 COMMISSIONER BELL: Commissioner Brooks?

20 COMMISSIONER BROOKS: Yes. I know about
21 human trafficking from all the reading and working with
22 an organization. And I don't think that we realize how
23 important it is to put a stop to this.

24 My question, if you may call it a question,
25 is, what are you doing with the pimps? They are not

1 all pimps. They are businessmen who are out to make
2 money on wherever they can make the money. It is not
3 all prostitutes.

4 MS. SOMMERVILLE: No, it is not.

5 COMMISSIONER BROOKS: And it is not all
6 pimps. And huge functions gather people like that.
7 The International Auto Show is aware. The Jazz
8 Festival is aware. If you read the papers and
9 magazines, you find out that this is really, really
10 getting too big. It is about money.

11 MS. SOMMERVILLE: It is about money.

12 COMMISSIONER BROOKS: So we are looking at
13 the prostitute down here, to get her off the street in
14 a home, this is great.

15 But we have got to get up top. And I guess
16 this should be for the police department. What do we
17 do with the men on media? What do we do with the
18 pimps, the men out there, the suburb areas, in
19 different places, who are looking to make money from
20 human trafficking.

21 MS. SOMMERVILLE: I think you raise a very
22 good question. That is where the other parts of our
23 government come and intersect.

24 I have reached out to Senator Judy Emmons,
25 who is from the Midland District, because she has been

1 one of the champions leading the legislative portion of
2 enhancing our laws so that law enforcement does have
3 more teeth to it.

4 And I have reached out to Linda Bernard,
5 because I think another thing that is also something we
6 should as a community address is the idea of john
7 school. And I started -- john, by the way, is that
8 term for the purchaser of sex, as a slang term, johns,
9 who are the purchasers. Because when you look at the
10 statistics that were reported, about 19 kids, minors,
11 recovered, and 12 pimps. My question was, I know some
12 of those stings, there were men going, and it was a
13 setup. So where were they? Where are they? So I mean
14 there are still some pieces of this puzzle we need to
15 come together on. But I have done initial research.
16 And the old -- one of the oldest johns schools in the
17 nation is in Grand Rapids. And Ypsilanti has had a
18 johns school on and off.

19 So I started looking at who are those
20 stakeholders? Who came to the table to put that into
21 place?

22 So when I had a conversation this past
23 weekend with Senator Emmons, who was at another
24 awareness event that I participated in, she said that
25 that is something that the legislature wants to look

1 at. And they also need to do more with regard to the
2 perpetrators, as well.

3 I hope that helps you a little bit.

4 COMMISSIONER BROOKS: Yes, it does. Thank
5 you.

6 COMMISSIONER BELL: Any other questions or
7 concerns, Commissioners?

8 If not, Ms. Sommerville, we thank you. And
9 we would entertain for one of our community forums,
10 perhaps in the month of November, if the Board and the
11 Chair agreeable to that, to schedule you to speak
12 directly to the community itself. That would be really
13 a positive thing. Because it is ongoing, as has been
14 pointed out, it is something we should be current
15 about.

16 MS. SOMMERVILLE: I would be honored to set
17 my time aside to serve the community.

18 COMMISSIONER BURTON: Through the Chair, I
19 would like to make a comment.

20 COMMISSIONER BELL: I would like to
21 acknowledge Commissioner Willie Burton joined us about
22 10 or 15 minutes ago. Thank you for your attendance.
23 You have the floor.

24 COMMISSIONER BURTON: Thank you, Mr. Chair.

25 You know, my district is District 5, it lies

1 right off the international border, which is the
2 Canadian border, and I am just curious, how much of
3 this human trafficking is going on right here on this
4 side of the border as well as on the other side of the
5 border, and, you know, how can we do -- what can we do
6 to stop this human trafficking everywhere? Not just
7 here, locally, but everywhere. I see that you have a
8 number here, a toll free number for confidential calls
9 or whatever, 1-888-373-7888. You know, it is just
10 really curious of how much goes on right here right on
11 our borders.

12 MS. SOMMERVILLE: That is a very good
13 question. And the fact that we are an international
14 border crossing does mean that you can pretty much take
15 it to the bank that it is a problem.

16 According to the FBI, there are about
17 approximately 17,500 ex patriots from other countries
18 coming into our borders every year for the purposes of
19 labor and sex trafficking. And of those, about
20 80 percent of them are women. And that is a pretty
21 scary statistic.

22 The number that you made reference to is the
23 Polaris hotline. And it is run out of Washington, D.C.
24 And you give an anonymous tip. And they will refer
25 that tip to the appropriate authorities, whether, you

1 know, they will funnel it up to the State level, or
2 then it will come down to the local level.

3 Probably to answer your question with a small
4 story, is if it doesn't set well with you, you should
5 call. And I had an experience a number of years ago,
6 that I didn't know what I know now. And I wish I had
7 then.

8 I had gone to a nail salon in Rochester to
9 have my pedicures and manicures. And the two women
10 working on myself and a friend were shaking. And every
11 time somebody passed by, they were shaking. And they
12 had very little, limited English capacity. And I just
13 started watching, why is this going on? I have a
14 biology background, so I kind of like to do that
15 anyway. And I noticed that one specific male, when he
16 circulated through, they got very, very uncomfortable.
17 When I moved from nails to pedicure, I needed to use
18 the restroom. And so I stepped down out of the chair
19 to go to where I thought the restroom was. And this
20 man came face to face with me and he never smiled, he
21 wasn't polite, and he just pointed. And that didn't
22 set well with me either.

23 Knowing what I know now, I probably should
24 have made another appointment to get my nails done the
25 following week and asked to specifically see those

1 young ladies again. Because oftentimes they move
2 within organizations. I could have tried to reach out
3 and ask her, do you have the ability, you know, what
4 brought you to this country? Do you love what you do?
5 Can you go work in another place? Just trying to
6 discern. I should have called the human trafficking
7 hotline. And I didn't know it existed. But those
8 things are what help law enforcement, because you never
9 know when what you share actually is the tipping point
10 for something that law enforcement is actually working
11 on. And you may save a life. You never know.

12 So I hope that answers the question. We need
13 to stand as a community, not here, not on our watch.

14 COMMISSIONER BURTON: You know, I would like
15 to reach out to you one day this upcoming week. I
16 would like to have you on a panel of mine in District 5
17 one day next month if it is feasible with your
18 schedule.

19 MS. SOMMERVILLE: Absolutely.

20 COMMISSIONER BURTON: Because I'd like to
21 inform in my district, which is District 5, about this
22 here and how the community can become aware of things
23 that are happening, and what they can do as far as to
24 make an anonymous tip, and so forth. I would like to
25 see this stop, not only here, but everywhere. And I

1 appreciate what you are doing.

2 MS. SOMMERVILLE: I will make an effort.
3 There are many federal resources that are taxpayer
4 dollars paid for. And I will order some resources so
5 that you can disseminate those in your district. And
6 there are many good federal campaigns where there is
7 information that I can submit to those in your
8 community. And I will do that.

9 Thank you.

10 COMMISSIONER BURTON: Thank you very much.

11 COMMISSIONER BELL: If there are no other
12 questions, thank you, Ms. Sommerville, for an
13 outstanding presentation.

14 MS. SOMMERVILLE: Thank you for your time. I
15 appreciate it very much.

16 A.C. DOLUNT: Thank you.

17 COMMISSIONER BELL: At this time, I am going
18 to give the floor to Assistant Chief Dolunt in terms of
19 reporting out for the Chief of Police.

20 A.C. DOLUNT: Okay. Thanks. Chief and
21 Assistant Chief Stair and Assistant Chief White are
22 currently in Chicago at the IACP Convention. I am in
23 charge. Pretty scary, I know. So they will be back on
24 Monday. No. We are in constant contact.

25 COMMISSIONER BELL: Last time I heard that

1 Chief Craig, head, wasn't it? Okay. You are in
2 charge.

3 A.C. DOLUNT: Yeah, I am in charge. And I
4 will probably be gone by Tuesday. Anyway, no, it is
5 good training for them. And I think it is beneficial
6 for the City and the Department.

7 So right now, the last couple of days we have
8 had an increase in a few homicides. We were down a
9 couple of percentage points. Now we are even, we are
10 not happy about. Our nonfatal shootings are down about
11 2 percent. Armed robberies are down 19 percent. Our
12 car jackings are down 1 percent. But at one time they
13 were down 4 percent. So it's trending a little bit.
14 My personnel in that section is doing a good job.

15 Obviously, the individual we had reports
16 yesterday, we were very pleased to get him off the
17 street. He tried to slip below the radar, simply
18 because it looks like he had committed a violent crime
19 almost five or six years back. Luckily, excuse me, we
20 got a DNA hit back in February -- or January. Things
21 are starting to come together. And sometimes it is
22 better to be lucky, good what happened yesterday. We
23 got him off the street, and that was good.

24 I am distressed by the young man that was
25 killed at Evergreen and Curtis, hit by the stolen car,

1 by another young kid who took off running. And
2 unfortunately right now we don't have a lot to give you
3 on that.

4 The promising thing is we had a fatal at
5 John R and Winchester, not promising, but the fact that
6 an individual assaulted another individual outside of a
7 party store, struck him two times in the face, third
8 time he struck him in the face, the individual fell
9 into traffic and was struck by a car, and ultimately
10 killed. However, the father, who I consider a role
11 model, because he got the two kids out of the car and
12 they chased the individual down and held him until the
13 police came. And that's the kind of thing we need in
14 the city. And we are working together. This
15 individual was charged with second degree murder this
16 morning, to my understanding. So even though I didn't
17 want the guy to die, we still solved it to a point
18 where he was hit by the car. So without the community,
19 we can't do this. So I don't have their names, but I
20 think it is a positive thing for us.

21 And that's all I have.

22 COMMISSIONER BELL: Any questions or concerns
23 for Assistant Chief?

24 Thank you for your report, Assistant Chief
25 Dolunt. And I guess we will move to Major Violators.

1 (A.C. Dolunt exited at about 3:38 p.m.)

2 LIEUTENANT WORBOYS: Good afternoon. My name
3 is Lieutenant Kurt Worboys. I am the officer in charge
4 of the Major Violators Section, which is part of
5 Organized Crime under Commander Johnnie Thomas and
6 Captain Russell Solano.

7 The goal of the Major Violators Unit is to
8 aggressively enforce all the provisions of the
9 Controlled Substance Act, for the State of Michigan,
10 all the pertinent State laws and City ordinances.

11 A little history on where we are today
12 compared to, say, about 15 months ago. Back in July of
13 2014, the Chief disbanded the old Detroit Police
14 Department Narcotics Section and established the Major
15 Violators Section. At that time it consisted of 20
16 officers and two sergeants and a lieutenant, had two
17 raid crews, and it was basically all new officers that
18 had not had much narcotic experience.

19 Over the last 15 months, we have built that
20 unit back up to where we are at 28 police officers,
21 five sergeants, consisting of four raid crews that raid
22 on a daily basis. We try to have at least two raids a
23 day per crew. And then a conspiracy crew, which looks
24 at obtaining information and intelligence throughout
25 the city, looking for the higher up, high level

1 dealers, and the larger confiscations.

2 Major Violators right now is a
3 seven-day-a-week operation. The officers, like I said,
4 are executing search warrants on a daily basis,
5 developing sources of information, investigating
6 citizen complaints, doing undercover buy and busts.
7 Also consisting of street enforcement where they are
8 doing traffic stops, talking to citizens in the
9 neighborhood, intel gathering, and enforcing the local
10 laws of the City.

11 Finally, we are also doing push offs,
12 narcotic push offs. If you are not familiar with that,
13 basically we get in undercover capacity, acting as drug
14 dealers. And at this point, we do interactions with
15 citizens looking to buy narcotics, usually in a
16 vehicle. And then we will forfeit their vehicle and
17 make an arrest at that time which helps deter the
18 purchasing of narcotics in certain areas, and also
19 brings in the vehicles for forfeiture procedure. Which
20 if they do not come up with the money to buy their car
21 back or the judge does not feel that they should get
22 their car back, it goes back to the City.

23 The officers that report to me are
24 responsible for all aspects of narcotic investigations.
25 They start from the beginning of the investigation

1 either through a complaint or a source coming to them,
2 observations on the street when they are out there
3 doing street enforcement, they will type their own
4 search warrants, get their probable cause, execute that
5 search warrant with their crew. After an arrest or
6 confiscation is made, they will type the arrest
7 warrant. Follow it with the Prosecutor's Office, and
8 then go to court and work that case all the way through
9 the process.

10 I think this enables them to -- you know,
11 they understand all aspects of law enforcement, they
12 are very highly trained officers, and they can really
13 go anywhere in this department and do any job after
14 being in the Narcotics Section, Major Violators Section
15 for a period of time.

16 This year we have been very successful in,
17 like I said, building back up the unit. We have
18 executed about a little over a thousand search
19 warrants. We have done about 150 street enforcements.
20 Out of those search warrants and enforcements, we have
21 had 592 felonies, a little over 1,100 misdemeanor
22 arrests. And our confiscations, we have had almost
23 26,000 grams of cocaine, 7,700 grams of heroin,
24 1.2 million grams of marijuana, and 15,000 pills. The
25 total street value for all that narcotic confiscated is

1 a little over almost \$36 million. So we have made
2 quite a dent in what activity is in the city. The
3 narcotic proceeds that we have confiscated at these
4 locations is a little over \$2 million. And we have
5 also confiscated almost 500 weapons and forfeited 235
6 vehicles -- excuse me -- 234 vehicles.

7 Just to highlight some of our major
8 confiscations, we consider major confiscations anything
9 over \$50,000 worth of street value. Or \$25,000 in
10 cash.

11 So this year to date, we have had 63 major
12 confiscations. Some of the more impressive ones we
13 have had back in August, we got 2,200 grams of cocaine,
14 which has a street value of over almost \$900,000.
15 There was 120,000 approximately dollars in cash at that
16 location, and seven firearms.

17 Another incident on 8/18, we hit a warehouse
18 that had 346 marijuana plants, which is about
19 173 pounds, 62 pounds of processed marijuana, for a
20 total street value of over a million dollars, along
21 with \$12,000 in proceeds and five vehicles were
22 forfeited.

23 Marijuana has become a very -- it's always
24 been prevalent in the city of Detroit, but it has
25 exploded in the last year, year-and-a-half, as you are

1 well aware of the whole medical marijuana thing that is
2 going on with the State, it is big business now. And
3 the city of Detroit, with all the properties that are
4 here that are not monitored or back in -- in places
5 that even right on main streets, you will have a
6 warehouse that it seems vacant, and you will go in
7 there, and we will find 200 marijuana plants and a huge
8 grow operation. These operations are millions of
9 dollars to set up. And the money that is being
10 obtained by these people is huge amounts of money. And
11 we are tracking and trying to trace these things back
12 to the big players, mostly living out in the suburbs
13 that have property and contacts in the city. And we
14 are doing a pretty good job of trying to track them
15 down, but I think we are only scratching the tip of the
16 iceberg. So it is an ongoing process and we are doing
17 everything we can to address it.

18 Finally, on 8/14 we obtained approximately
19 650 grams of cocaine for a value of \$230,000. And then
20 \$66,000 in proceeds. Again, seven firearms.

21 We are always seeing guns every day when we
22 raid. That's why constantly we are saying violence in
23 the city is associated with drugs. And it goes hand in
24 hand. It's very lucrative, but it is also very
25 dangerous. And people that are involved are arming

1 themselves and protecting their investments.

2 The challenges we find here at Major
3 Violators, timely response to narcotic complaints. We
4 have the 224-DOPE line, which we so far this year have
5 obtained approximately 3,200 complaints, which average
6 a little over 11 a day. We are currently about 20
7 percent on answering those. As I said, we are raiding
8 twice a day, each crew. We get complaints, not just
9 from 224-DOPE, but from City Council, from the Chief's
10 Office, from citizens who just call, call the base. So
11 it is a challenge to keep up with all of the activity
12 that we are getting information on.

13 (A.C. Dolunt entered at about 3:46 p.m.)

14 LIEUTENANT WORBOYS: The public perception of
15 the unit, as I said, the narcotics unit was shut down
16 approximately a little over a year ago. And trying
17 to -- you know, the name now is Major Violators, doing
18 a similar job, but we want to let the citizens know
19 that we are out here to help them. We are out there
20 not to be thugs or jack boots and kicking doors. We
21 are really trying to clean the neighborhoods up. It's
22 a huge quality life issue when you have a drug house on
23 your block. And if you get one, you are going to get
24 another one. So, you know, it is an ongoing process
25 trying to keep a positive outlook on what our unit

1 does. And I think it is of benefit to the citizens and
2 the neighborhoods that we're out there every day.

3 We have also, because of past things, we are
4 trying to reduce the legal actions that are coming
5 through the Department. We get -- you get in the past
6 one person that you will arrest maybe has a complaint,
7 and will file a lawsuit against the Department against
8 our unit. It has become popular to -- anybody that we
9 arrest is now making complaints and filing lawsuits.
10 So it is an ongoing thing. And we are trying to figure
11 out better ways to prevent that. And something we are
12 working on with the City and the executives in the
13 Department to try to see if we can't do better every
14 day with documentation, with reporting out, and being
15 open with what we are doing so that these things will
16 cease in the future.

17 COMMISSIONER MALLETT: So, Lieutenant --
18 sorry, Mr. Chairman.

19 So body cams there, you see that as a
20 solution perhaps to some of the legal action?

21 LIEUTENANT WORBOYS: It is a possibility.
22 Yes, sir.

23 COMMISSIONER MALLETT: Okay.

24 LIEUTENANT WORBOYS: The Department I know is
25 looking at body cams. It has just been in the news. I

1 believe everybody has seen the things that have been
2 happening throughout the country over the last year.
3 Personally, I have looked into just doing research
4 myself, the technology is coming along. I don't think
5 it's quite there yet. I am not an expert, by any
6 means. Like I said, the Department is looking at it,
7 though, and it is something that might be a possibility
8 in the future.

9 And then another challenge is that officer
10 safety and citizens, safety of citizens. We train
11 regularly, but we need more training. And we need the
12 officers to buy into that, you know, dope is a property
13 crime. So we want to be safe when we do it. We want
14 to make sure that the people that we are coming into
15 contact with are safe when we are executing our
16 warrants. So that's, like I say, that is a training
17 issue. We have come a long way from where we were I
18 think three or four years ago. So it is something we
19 push down in Major Violators every single day. Make
20 sure you are safe and make sure the people you are
21 dealing with are safe. We do deconfliction with HIDTA
22 so that we make sure that there is not an ongoing
23 investigation with somebody else. Also, we have a raid
24 matrix that we use to determine, you know, the level of
25 threat that there could be at any location, you know,

1 schools in the area, children at the scene, things of
2 that nature, so that we are constantly thinking about
3 these things before we execute a search warrant.

4 Some of the needs and wants that would be
5 helpful would be a dedicated prosecutor. Just throwing
6 that out there. I know the Prosecutor's Office is
7 overwhelmed, just like everybody else. But right now,
8 we do not have a dedicated prosecutor for our drug
9 cases. And narcotic prosecution is different than,
10 say, retail fraud. It is -- there is a lot of other
11 things involved. And like I said, because my officers
12 are working cases all the way through from the initial
13 interaction through the courts, it would be great if we
14 had somebody who worked with us daily on a regular
15 basis, you know, build that relationship so that we
16 were doing the right thing hand in hand and on the same
17 page.

18 Implementation of our regular UC vehicle
19 rotation. Cars are a problem. We are out there doing
20 surveillance, undercover work. If we use the same cars
21 over and over again, they get burned and people say,
22 you know, five-oh, as soon as you roll down the street.
23 It makes it very difficult to try to find new locations
24 and get ahead of where the dope is.

25 Equipment upgrades. A lot of stuff goes back

1 to financing, and, you know, we are constantly writing,
2 paper, and typing warrants, computers, printers,
3 copiers, those things are all desperate need, just to
4 be better at what we do. We get it done now as it is,
5 but it slows down. And I think that having more
6 resources would let us be out there and interacting and
7 on the streets more often.

8 Marijuana storage facility. As I said,
9 marijuana is becoming very large in the city. The
10 major confiscations I have seen just in the last month
11 have been, you know, significant and pounds and pounds
12 and pounds of marijuana. Currently, we have to store
13 that and dry it. And it has to go -- you know, we save
14 it for trial. If it is not done properly, it causes
15 a -- it can cause a Hazmat situation with the mold and
16 the smell and it could cause health issues for police
17 officers that are around it or people around it. So it
18 is something that, once again, financing, but we need
19 to look at for the future, if especially marijuana
20 keeps going the way it is, who knows what's going to
21 happen in the next year if it gets on the ballot.

22 And then manpower, throughout the Department,
23 we have the same problem, but if I had -- I have four
24 crews right now covering the whole city, 140 square
25 miles. It is a lot of area to cover. And even with

1 doing two raids a day, I could have ten crews doing two
2 raids a day and still be behind. Just looking at the
3 number of complaints we are getting, like I say, it is
4 11 a day. So doing the best we can, but could use more
5 people.

6 I guess that is about it.

7 If there are any questions?

8 COMMISSIONER BELL: Commissioners?

9 COMMISSIONER MALLETT: Chairman, going back
10 to the storage issue, Detroit Renewable Energy, which
11 used to be known by any number of names, but does
12 currently still run the Detroit Incinerator, which used
13 to be run by the Detroit Resource Recovery Authority,
14 it is a very enlightened, new leadership team that's
15 been in there, Lieutenant, now, and they have a number
16 of actually computer-driven disposal opportunities. I
17 don't know what the relationship is between the Detroit
18 Police Department and Detroit Renewable, but that would
19 be one that you would want to explore.

20 LIEUTENANT WORBOYS: Okay.

21 COMMISSIONER MALLETT: They are right here in
22 the city, and they may very well have some ideas about
23 how to help the Department manage this.

24 LIEUTENANT WORBOYS: Good. Thank you.

25 COMMISSIONER MOORE: Through the Chair,

1 what's the role of the precincts as it relates to
2 narcotic raids? At one point, the precincts were
3 responsible for conducting the raids. Has that all
4 shifted back to you now?

5 LIEUTENANT WORBOYS: Primarily, yes.
6 Precincts still have their special operations units
7 that do raid occasionally, some more than others, that
8 have more -- usually more training, but the focus has
9 come back to Major Violators to do the majority of the
10 raids.

11 COMMISSIONER MOORE: And that was a great
12 presentation. I appreciate the two raids a day.

13 LIEUTENANT WORBOYS: Thank you.

14 COMMISSIONER DEWAEELSCHÉ: I have a question,
15 please. I expect that the numbers would go up since
16 you have indicated, you know, that you're building the
17 unit up again. But there is one that really stands out
18 that didn't go up, but went down significantly, and
19 that's narcotics seized, and it is the
20 methamphetamine --

21 LIEUTENANT WORBOYS: Yes, ma'am.

22 COMMISSIONER DEWAEELSCHÉ: -- that was seized
23 from 700 and something to 20. Is there a trend or --

24 LIEUTENANT WORBOYS: Well, I don't know what
25 that confiscation was last year in 2014. It might have

1 been one confiscation for the sum of 20 grand, which is
2 not a huge amount compared to heroin and cocaine and
3 marijuana, of course. We don't see a lot of meth in
4 the city, to be honest with you. It is not a popular
5 drug that we see. You know, meth labs are pretty
6 obvious. And usually they are going to be somewhere
7 that's a little more isolated. It's a chemical hazard.
8 I mean, it's a whole Hazmat situation once we find
9 them. And honestly, we don't come across them a lot.
10 And the 700 to 20 grams is really, I mean, is a big
11 difference from last year. But it's really not a great
12 amount, not a great quantity to begin with.

13 COMMISSIONER DEWAELESCHE: And then one other
14 question. You indicated that you have to keep for
15 storage purposes marijuana that's seized until trial.
16 You know, is there a time element where if the trial
17 doesn't occur within a certain period, you have to kind
18 of get rid of it? Or --

19 LIEUTENANT WORBOYS: It does get
20 destroyed eventually.

21 COMMISSIONER DEWAELESCHE: Destroyed.

22 LIEUTENANT WORBOYS: There are certain
23 quantities that we have to save for different level of
24 felony. First level is 20 plants. And then it goes up
25 to 200 plants. So if we get 201 plants, it is a second

1 level felony, so we have to save all 200 until trial.
2 If we get 150 plants, we only have to save 20. But it
3 still needs to be destroyed. We still have to dry it
4 out and it won't be taken -- they won't take it. I
5 don't know exactly where it goes, to be honest with
6 you, after we confiscate it, except for our processing
7 area. But what I do notice is that it sits around a
8 long time. And we need to find a better way of getting
9 it destroyed and out.

10 COMMISSIONER DEWAELESCHE: Thank you.

11 COMMISSIONER CRAWFORD: Mr. Chair.

12 Yes, sir, thanks for the presentation. It
13 was great. Also, the Governor, several days ago,
14 signed a bill, signed into law something that's going
15 to change forfeiture in terms of vehicles and monies.
16 Have we been advised by Legal, by DPD Legal Department.

17 LIEUTENANT WORBOYS: I have not.

18 COMMISSIONER CRAWFORD: Because I was just
19 curious how that would impact your operation in terms
20 of the seizure of vehicles and monies. Because that
21 law, it was in the media too, in essence I guess will
22 change the process in terms of individuals who are not
23 arrested, or individuals who have been arrested or
24 haven't been charged or something to that effect, that
25 they will perhaps have to return their vehicle, money,

1 property, or whatever that was seized, had they not
2 been -- well, if they haven't been charged with
3 anything.

4 LIEUTENANT WORBOYS: Yeah, I am not aware of
5 it. I will definitely have to look into that. We have
6 a forfeiture unit that is probably up to speed on that.
7 And I just need to get with them and see what their
8 procedures are.

9 COMMISSIONER CRAWFORD: Yes, sir. Thank you.

10 COMMISSIONER BELL: Commissioners?

11 COMMISSIONER MALLETT: Mr. Chairman, without
12 disclosing confidential information, can you describe
13 or at least talk a little bit about the relationship
14 between your unit and the -- we had a presentation by
15 the Gang Squad -- is it still called that? -- and the
16 intelligence gathering that they were involved in. And
17 I wonder how much communication back and forth do you
18 have with that particular --

19 LIEUTENANT WORBOYS: Sure. It is all under
20 Organized Crime, Commander Thomas, so their lieutenant
21 is Lieutenant Cole, who I talk to on a regular basis.
22 Gang Intel, Gang Squad is focusing on the gang issues.
23 And they do come across drugs because gangs are
24 definitely dealing drugs. So we -- part of our
25 deconfliction, you know, to make sure we are not

1 running into them, same areas and scenes, that's
2 through HIDTA, we have weekly meetings with the
3 Commander that I sit on, the Lieutenant sits on,
4 Lieutenant Cole sits on, you know, we talk at CompStat,
5 we talk several times a week to make sure that we are
6 all on the same page. They come to us for assistance
7 on raids sometimes. Sometimes we use their crews to
8 help us out if we are short people. You know, the
9 Department is short on manpower, as you all know, and
10 so we do everything we can to use all resources
11 available. And as I said, I have a good relationship
12 with the lieutenant. And we all report to the same
13 people, Captain Solano and Commander Thomas, so it is
14 an ongoing everyday thing.

15 COMMISSIONER MALLETT: Is there a rotation
16 schedule for the men and women who work with and for
17 you? Is there a benchmark length of time that a person
18 participates on your unit, and then for a variety of
19 reasons, you move them to another section? Perhaps
20 they can come back, but they go someplace else after
21 one year, two years, three years or something like
22 that?

23 LIEUTENANT WORBOYS: At this time I don't
24 believe there is.

25 A.C. DOLUNT: Through the Chair, we started

1 that last year. We had -- the Chief wanted to have
2 like a five-year rotation. So we moved quite a few
3 out, which is why we reorganized. A lot of the
4 individuals that were there five years were moved. A
5 lot of new people in. However, we did move some people
6 back. I think that we moved a little too quickly,
7 taking everybody out at one time. Didn't have much
8 experience there at first. So now we are slowly
9 integrating people in and out. And anyone that we feel
10 that can't work in narcotics for whatever reason, we
11 move immediately.

12 COMMISSIONER MALLETT: Thank you.

13 COMMISSIONER BURTON: Through the Chair, I
14 have a question.

15 I noticed you mentioned something about you
16 all have one lieutenant, five sergeants, 28 police
17 officers. What would you like to see the manpower grow
18 from where you are currently right now? I mean, to
19 continue to do the great work that you all are doing.

20 LIEUTENANT WORBOYS: And I do think that they
21 are doing great work with what we have. It would be
22 great -- I will take anybody I can get. Every body
23 helps, but ideally, Detroit is kind of broken up
24 Eastside, West Side. And I would love to have three or
25 four raid crews per side in the city, you know,

1 Eastside, West Side, eight to ten raid crews with each
2 having its own sergeant person. So you are talking --
3 personally, I think a raid crew should have seven
4 people. Some of my crews only have six. You know,
5 with training and days off, things like that, sometimes
6 we are raiding with five. We are starting to talk
7 about safety issues. So if we have seven-man crews,
8 each with a sergeant, you are looking at 60 to 70
9 police officers and, you know, nine to ten sergeants,
10 eight to ten sergeants. So I kind of think that's a
11 pie in the sky thing. If you ask me what I could have,
12 then that's what I would like to have.

13 COMMISSIONER BURTON: In addition to that,
14 can you explain to me about the fleet that your men are
15 using as far as the vehicles that are patrolling? How
16 are they holding up? Or how -- you know, are they
17 newer vehicles? Older vehicles? What can be changed?
18 What can be done about your fleet?

19 LIEUTENANT WORBOYS: Sure. Recently we have
20 obtained some new UC vehicles under a lease program
21 that the Department is doing. And it is great. I have
22 got two UC cars per crew. As I said, though, they are
23 leases, so they are not something that can be rotated
24 in and out. And that would be -- if I could go
25 forward and make a great plan would be to have a

1 rotation, so that when these officers' car gets burnt,
2 for whatever reason, we can swap it out. And we are
3 working on stuff with the forfeiture unit to try to
4 bring in cars on a bimonthly basis that, you know, are
5 forfeited. We don't need, you know, brand new cars. We
6 need cars that run and that can blend into the
7 neighborhood. So right now, we have I think the bare
8 minimum to function. And the cars we just got, we have
9 only had for a couple of months. So so far things
10 have -- we haven't had too many problems.

11 Going through the wintertime and by
12 springtime, I have a feeling that a lot of those cars
13 will be recognized in the same neighborhoods that we
14 are in every day. And that's a problem, for safety
15 issues and for getting the information we need.

16 COMMISSIONER BURTON: So you need more
17 vehicles?

18 LIEUTENANT WORBOYS: Yes, sir.

19 COMMISSIONER MOORE: Through the Chair, who
20 is leading the conversation on you having a dedicated
21 prosecutor assigned to your cases?

22 A.C. DOLUNT: Why are you looking at me for?

23 LIEUTENANT WORBOYS: Well, I have had
24 conversations with the Prosecutor's Office. I know my
25 Commander and Captain also have had conversations with

1 the Prosecutor's Office. I don't know if it has gone
2 to Kym Worthy's level. I have talked to the -- there
3 is a Major -- a Narcotics Major Violators I guess you
4 call it. She does major cases. She is by herself. So
5 it's one prosecutor. She handles pretty much
6 everything over what I am saying with our major
7 confiscations. She handles all Wayne County. So she
8 is with the Sheriff. She is with the State. She is --
9 I mean, she is doing it all. And so the conversations
10 I have had with her is that she doesn't -- she is not
11 getting any people, or they are working on it or
12 they're talking about maybe one coming. So it has been
13 an ongoing conversation. I threw it in there because
14 it is a challenge. I think it is a higher level answer
15 than I can give you, but we do have conversations
16 regularly about it. And like I said, I don't know how
17 far up it has gone in the Prosecutor's Office myself.

18 COMMISSIONER BELL: Commissioners, any other
19 questions or concern?

20 I have one question. I know the issue
21 because they are short of a prosecutor basically, you
22 know, we know that, extremely well, you know, because
23 we hear it from the Chief Prosecutor. How is it
24 impacting in terms of your prosecution, your conviction
25 rate? Can you elaborate on that? I am not talking

1 about the misdemeanors. But I am talking about most
2 felony charges.

3 LIEUTENANT WORBOYS: Honestly, I think we are
4 doing pretty well overall. The problem we see is that
5 when you have some of the prosecutors that don't work
6 narcotic cases very often, they have their own
7 standards of what they consider a good case. And I do
8 believe that the Prosecutor's Office wants to have a
9 really solid case before they go to court. They don't
10 want to take any chances. And so in one prosecutor's
11 eyes, something looks like a good case, in another
12 prosecutor's eyes it might not. And they will say
13 insufficient evidence. Or they will want more
14 information and return it to us. And we don't see it a
15 lot because I mean I think my guys do a really good job
16 of making their cases. Because I mean you run into a
17 house and there is drugs there, it is what it is. But
18 we have seen more returns and more adjournments than I
19 think we have in the past when there was people that
20 were in narcotics regularly and went to trial really,
21 went to trial regularly on it because they knew exactly
22 how to handle the case and there was no fear of maybe
23 one little bit of evidence or something not being quite
24 set in stone at that point. I don't have real numbers
25 for you.

1 COMMISSIONER BELL: No, I was just curious
2 because I know that make a difference in terms of
3 having a regular relationship with a prosecutor.

4 LIEUTENANT WORBOYS: Not only just for
5 trials, but for search warrants, working all through
6 the system.

7 COMMISSIONER BELL: That's right. It's
8 cumbersome.

9 On behalf of the Board Commission,
10 Lieutenant, I want to thank you for your outstanding
11 report. I know it is a very difficult task in terms of
12 narcotic raids and activities you guys are engaging in.
13 I am glad you have regrouped in terms of bringing back
14 some experienced people to blend in with the older --
15 the younger officer because it is a challenge to go out
16 there, that type of enforcement.

17 LIEUTENANT WORBOYS: That was a huge benefit
18 to bring back some people --

19 COMMISSIONER BELL: Yes.

20 LIEUTENANT WORBOYS: -- that had the
21 experience to help show the younger guys what to do,
22 just to say they are doing it every day, and we all
23 know there's challenges with our Department that the
24 officers have to go through. And they show up and they
25 hit it every day. So they are doing a great job.

1 COMMISSIONER MALLETT: Thank you.

2 COMMISSIONER BELL: Thank you, sir.

3 COMMISSIONER BURTON: Thank you.

4 COMMISSIONER BELL: Assistant Chief, anything
5 else?

6 A.C. DOLUNT: He said plenty.

7 COMMISSIONER BELL: Okay. We can move on
8 to -- we have under standing committee reports, any
9 standing committee reports at this time?

10 New business. I would ask a volunteer from
11 the Board of Police Commissioners to address the
12 resolution. We have two. If you could turn to your
13 package and if you would volunteer for one or both,
14 however you want to approach it, that would be great in
15 terms of police officers from DPD. Give us a chance to
16 talk about it prior to, but normal, we just read the
17 entire resolution, we go to Therefore Be It Be
18 Resolved.

19 Commissioner Brooks, would you entertain one?

20 COMMISSIONER BROOKS: I am sorry. I am just
21 looking for it. Yeah.

22 COMMISSIONER MOORE: Mr. Vice Chair, I can do
23 the one for Officer Joseph Biggers. Is he present?
24 Officer Biggers? No. Okay. I will go through the
25 Resolved.

1 Now, Therefore, be it Resolved
2 That the Detroit Board of Police
3 Commissioners, speaking for the citizens of Detroit and
4 the Detroit Police Department, award this resolution to
5 Police Officer Joseph J. Biggers in recognition of his
6 20 years of dedicated and diligent public service. His
7 professionalism, integrity, and standard of commitment
8 to the city of Detroit and its citizens merits our
9 highest rewards and best wishes for continued success.

10 We salute and congratulate you, retired
11 Police Officer Joseph J. Biggers.

12 COMMISSIONER BELL: Thank you, sir.

13 COMMISSIONER MOORE: Move for adoption.

14 COMMISSIONER DEWAELSCHE: Support.

15 COMMISSIONER BURTON: Second.

16 COMMISSIONER BELL: It's been properly moved
17 and seconded.

18 Ready for the question.

19 Those in favor, aye?

20 COMMISSIONERS: Aye.

21 COMMISSIONER BELL: Those opposed?

22 Motion carried.

23 COMMISSIONER BROOKS: Resolution Honoring
24 Retired Sergeant Sherry D. Franklin.

25 Whereas, Ms. Sherry Franklin began her career

1 with the Police Department June the 5th, 1989, and upon
2 graduating from the Detroit Metropolitan Police
3 Academy, she was assigned to the Mini Station Section;
4 and

5 Whereas, Officer Franklin assignments also
6 included Western Operations, Second Precinct, Training
7 Support Division, Personnel Bureau, Fourth Precinct,
8 Internal Affairs Section, Major Crimes Division, and
9 Court Unit; and

10 Whereas, on February the 6th, 2004 Officer
11 Franklin was promoted to the rank of Sergeant and was
12 reassigned to the Court unit. As a Sergeant she also
13 served with the Fifth Precinct, Office of the Chief
14 Investigators, Grants and Contracts, and Centralized
15 Timekeeping where she remained until she retired; and

16 Whereas Sergeant Franklin was the deserving
17 recipient of two Chief's Merit Awards, two Perfect
18 Attendance Awards, two Lifesaving Citations, three
19 Chief's Unit Awards, the Major League Baseball All-Star
20 Recognition Award, the Rosa Parks Funeral Recognition
21 Award, and the Super Bowl XL Recognition Award, and
22 numerous letters of commendation from citizens and
23 superiors; and

24 Whereas, Sergeant Franklin diligently served
25 the Department and the citizens of Detroit with

1 loyalty, dedication, and integrity for 26 years. She
2 served the police department with fidelity and was
3 considered by all as the consummate professional.

4 Now Therefore Be It Resolved that the Detroit
5 Board of Police Commissioners, speaking on behalf of
6 the Detroit Police Department and the citizens of the
7 City of Detroit, recognize Sergeant Sherry D.
8 Franklin's lifelong commitment to public safety. Her
9 pride and dedication have been invaluable assets to the
10 Department and merit our highest regard.

11 We thank and congratulate you, retired
12 Sergeant Sherry D. Franklin.

13 Detroit Board of Police Commissioners.

14 COMMISSIONER DEWAELESCHE: Motion to accept.

15 COMMISSIONER MOORE: Support.

16 COMMISSIONER BELL: It has been properly
17 moved and supported.

18 Ready for the question.

19 Those in favor, aye?

20 COMMISSIONERS: Aye.

21 COMMISSIONER BELL: Those opposed?

22 Motion carried.

23 And thank you, Commissioner Brooks and
24 Commissioner Moore.

25 At this time, any old business to come before

1 this body?

2 COMMISSIONER BROOKS: I have something.

3 COMMISSIONER BELL: Yes, ma'am.

4 COMMISSIONER BROOKS: This is from a citizen
5 who lives on Jefferson. On Jefferson and East Grand
6 Boulevard across from Belle Isle, there is a building
7 with the name Riverside Meds. It is a medical
8 marijuana building. This citizen wants to know if it
9 is licensed.

10 She went in, and was asked for an I.D. She
11 was just curious about what's new in her neighborhood.
12 So she asked for an I.D., and she asked -- the security
13 guard said, you can't come in without an I.D. And so
14 she said, well, what do I need an I.D. for? And he
15 wouldn't tell her. And so the conversation went on.

16 And she figured it out, that it was a weed
17 shop.

18 Her thing is, is it licensed? Why have one
19 facing Belle Isle, on Jefferson? And the building
20 which call -- which in this building is called
21 Riverside Meds. And she said it has been built out.
22 And it is new. So she wants to know if it is licensed,
23 and if it is legitimate to be there.

24 So I would like very much for someone to
25 check into that.

1 COMMISSIONER BELL: I assume that A.C. Dolunt
2 has taken notes on that.

3 A.C. DOLUNT: Okay. Here is the deal on
4 that. We have more of these places than anywhere in
5 the city. Some are going along. We shouldn't. One
6 man's opinion, I am against them. Why is it that all
7 of these young kids all of a sudden getting medical
8 marijuana cards? They weren't at the (inaudible), they
9 are asking for a medical marijuana card, which you can
10 purchase for \$50 anywhere. It is ridiculous. And
11 these people are touting all the benefits from
12 marijuana. Yes, there are some benefits. I get it.
13 But all of these young kids, kids in their 20s, all
14 have these ailments. And these senior citizens can't
15 get medication, who really have ailments. And if it is
16 so great, why is Colorado upset about it? So I am
17 against it totally. I totally understand it. I am
18 hoping that the State gets their act together. And I
19 don't -- I think the City just -- didn't Spivey do
20 something about medical marijuana?

21 COMMISSIONER MALLETT: Not yet.

22 A.C. DOLUNT: He's doing something?

23 COMMISSIONER BELL: They are working on it.

24 A.C. DOLUNT: Okay. So that's just my
25 opinion. One man's opinion.

1 COMMISSIONER BELL: Mr. Crawford?

2 COMMISSIONER CRAWFORD: Yes, sir. Through
3 the Chair.

4 Also, too, there is a public hearing for
5 zoning of the miracle -- I am sorry, medical marijuana
6 next Thursday, October the 29th, 5:30, Coleman A. Young
7 Municipal Building. That's on the 13th Floor in the
8 auditorium. So next Thursday, October the 29th, 5:30
9 p.m., there is a public hearing on the zoning for the
10 medical marijuana, I guess you will call them clinics
11 or --

12 COMMISSIONER BROOKS: May I ask what building
13 is this?

14 COMMISSIONER CRAWFORD: Coleman A. Young
15 Building.

16 COMMISSIONER BROOKS: Thank you.

17 COMMISSIONER CRAWFORD: Yes, ma'am, 13th
18 Floor, the auditorium.

19 COMMISSIONER BELL: Commissioner Crawford?

20 COMMISSIONER MOORE: I'm Moore.

21 COMMISSIONER BELL: Sorry. I'm looking right
22 at you.

23 COMMISSIONER MOORE: Through the Chair, A.C.
24 Dolunt, so the City of Detroit is the only city in the
25 state that has these facilities?

1 A.C. DOLUNT: No. I read something the other
2 day where Warren, the Mayor tried to do something.
3 They may be legitimate businesses. I tried to get in
4 one. And they wouldn't let me in. They had a gun on
5 me. And I said, I am in uniform. So needless to say,
6 I was a little perturbed. And we have been giving that
7 place special attention. Because I am the police, you
8 should let me in, see what's going on. It is my
9 understanding, I went through something a couple weeks
10 ago, years ago, in the '70s, the THC level in marijuana
11 was 3 or 4 percent. Now, on average, the studies do 12
12 to 14 percent. However, with the oils, and the edible
13 marijuana, some places 70 percent. In the '70s
14 marijuana was not addictive. It is now. It causes you
15 to be mellow. It also causes you to be lazy. So you
16 don't have to get a job. So I better stop while I'm
17 ahead.

18 COMMISSIONER MALLETT: Mr. Chairman?

19 COMMISSIONER BELL: Yes, sir.

20 COMMISSIONER MALLETT: I wonder, and
21 normally, Mr. Chairman, I would be a hundred percent
22 opposed to the Board doing anything like this, I
23 believe that we have a very clear set of
24 responsibilities laid out to us in the Charter, and I
25 am the first one to say that we ought not go beyond the

1 sphere of the responsibilities that we have.
2 Nevertheless, in this particular case, I am as incensed
3 as Chief Dolunt. I am wondering if we could -- because
4 I don't think, Commissioner Crawford, that we can get
5 to -- all of us get to the Zoning Board of Appeals, but
6 I wonder, Mr. Chairman, if it would be appropriate, if
7 the Board would entertain a possibility that our
8 attorney would draft up a resolution saying that the
9 Board of Police Commission of the City of Detroit is
10 100 percent unified in its opposition to the existence,
11 regulation, presence of medical marijuana shops in our
12 city. Completely misunderstanding how it is that they
13 came to be, and not understanding why they are here,
14 and as the Chief said, not in the suburbs, and not that
15 we want them there either, but wonder why they are here
16 and not everywhere else. And because we are so
17 adamantly opposed to the further degradation of our
18 communities, that we want to be on record in public as
19 a unified body saying we are opposed. And I wonder if
20 you would consider that an appropriate use of her time.

21 COMMISSIONER BELL: I think, Commissioner
22 Mallet, I think you are right on point, and I would be
23 supportive of that initiative. And I think the Chair
24 would entertain a motion to that effect.

25 COMMISSIONER MALLETT: So moved.

1 COMMISSIONER DEWAELESCHE: Support.

2 COMMISSIONER BURTON: Second.

3 COMMISSIONER BELL: It's been properly moved
4 and supported.

5 Ready for discussion.

6 Those in favor, aye?

7 COMMISSIONERS: Aye.

8 COMMISSIONER BELL: Those opposed?

9 Motion carried.

10 And I would -- Attorney Linda Bernard would
11 follow suit, and perhaps the Chair or Vice Chair or any
12 other Board member want to speak to that resolution, at
13 that particular hearing, or any other forum, I think
14 that would really be outstanding. So I am glad that
15 Commissioner Mallett took the initiative to add this
16 issue. We all know -- Commissioner Brooks, that
17 person, that location is not licensed at this time.
18 They are going to start the process once they go
19 through these hearings and all of that, but no place is
20 licensed to deal with these particular facilities. So
21 we right on time to move forward on that issue. Thank
22 you again.

23 COMMISSIONER MALLETT: I just wonder, and
24 again, I wonder could our attorney investigate this, as
25 well, if you -- if -- can you just go into a vacant

1 building that you properly have rented, and then just
2 open up and start selling whatever it is that you want
3 to sell? Aren't there rules, regulations, ordinances,
4 requirements you have got to meet? I know I can't go
5 and open a dry cleaners if I want to without getting
6 the appropriate licensing and things like that.

7 So what -- I just wonder if there is a
8 possibility, even now, even in the absence of an
9 ordinance, if we could ask the Department of Building
10 and Safety for the City of Detroit to go in and
11 inspect, and for every ordinance violation, to at least
12 have a ticket issued. And at least cause the person
13 who is renting the facility, and the owner of the
14 facility, to have to go before a 36th District Court
15 judge and explain what they are doing and why they are
16 doing it. And under whose authority they are doing it.

17 I just don't believe that it is possible that
18 you can just even -- even with the number of vacant
19 buildings that we have in the City of Detroit, that you
20 can just open one up and start selling whatever it is
21 you want to sell out of there without somebody giving
22 you permission. And if there is no permission in the
23 absence of an ordinance, at least there's building
24 inspections you have got to have.

25 You've at least got to have -- I know this,

1 Mr. Chairman, don't you at least have to have a
2 Certificate of Occupancy? Something to -- has to be
3 some -- some regulatory body has got to give you
4 permission at least to occupy the space that you are
5 in.

6 I would just think that we would also, as a
7 part of this previous action, ask for Building and
8 Safety to educate us as to what they are doing in this
9 particular circumstance. And to help us figure out
10 what else we can help them do in order to better serve
11 the citizens.

12 Because I agree with the Chief, absolutely, I
13 know you share this, Mr. Chairman. It is outrageous.
14 It is outrageous. And this -- this kind of activity
15 needs to be interdicted now. And the citizens of the
16 City of Detroit ought to be up in arms and infuriated.

17 COMMISSIONER BELL: They are.

18 AUDIENCE: We are.

19 COMMISSIONER BELL: As we go forward, I think
20 Councilman Tate, James Tate, is on top of this issue,
21 but we interact reference to this as it goes forward.
22 Basically they are addressing it, but we can entertain
23 your concern. I think Attorney to the Board heard your
24 concern. And we can interface with his office, but
25 they have moved on this issue. I think the vote was

1 like 6 to 1, with other -- two or three people absent
2 from that. But they are concerned.

3 And the community is outraged and concerned
4 about this issue everywhere we go in terms of that type
5 of interaction.

6 So I just want to thank you for bringing that
7 to our attention. Thank you, Commissioner Brooks, for
8 sparking that type of dialogue.

9 COMMISSIONER BROOKS: I just want to say one
10 thing.

11 COMMISSIONER BELL: Yes, ma'am.

12 COMMISSIONER BROOKS: I will be happy to talk
13 to the citizen. And the citizen will be happy that
14 something is being done. So thank you very much.

15 And thank you, Conrad, because you said all
16 the things I have been thinking. Thank you.

17 COMMISSIONER MALLETT: Thank you. Appreciate
18 it.

19 COMMISSIONER BELL: Commissioner, you are on
20 the money this time. We have to have a little sense of
21 humor at these meetings.

22 COMMISSIONER MALLETT: Particularly between
23 me and Bell.

24 COMMISSIONER BELL: Next meeting, Thursday,
25 October the 29th. Put my glasses on, make sure I have

1 got the right date. Yeah. October 29th, 2015, at
2 1:30 p.m. at Osborn High School, 11600 East 7 Mile
3 Road, in Detroit. That's on Northeast Detroit. For
4 you West Siders, that's area of Seven Mile and Hoover,
5 would be east of Outer Drive. So don't get lost.

6 I am asking Commissioners to please make an
7 effort to come prior to that timeframe at 1:30 p.m.
8 because the young people are going to be coming in
9 about that time, 1:40 or something of that nature. So
10 we are looking forward to that type of interaction,
11 that type of dialogue. And Investigator Brian Fountain
12 is going to really kick it off in reference to -- the
13 three principal, they all in accord that we need
14 Investigator Fountain in terms of -- some of us witness
15 this type of interaction with these young people and I
16 think that was going to break that little ice dam with
17 them in terms of communicating with the Board, which we
18 experienced before. So I am looking forward to Osborn
19 High School.

20 And we on the same note, perhaps we can look
21 at before the year is out in terms of going to the West
22 Side, perhaps Cody High School might be a target
23 school. I am just throwing that out, since we had a
24 most recent incident, we talked about going to the West
25 Side of Detroit. And I think that's a good area. But

1 the Board would make that decision reference to how we
2 approach that.

3 COMMISSIONER DEWAELSCHE: Mr. Chair, let's
4 also consider Southwest Detroit.

5 IDENTIFIED SPEAKER: Thank you.

6 COMMISSIONER BELL: Southwest Detroit.

7 IDENTIFIED SPEAKER: Thank you.

8 COMMISSIONER BELL: That is where now?

9 COMMISSIONER DEWAELSCHE: It is in the heart
10 of the City of Detroit.

11 COMMISSIONER BELL: Well, why don't we go to
12 Southwest Detroit?

13 COMMISSIONER DEWAELSCHE: That would be
14 great.

15 IDENTIFIED SPEAKER: Western, International.

16 COMMISSIONER MOORE: Cody too. That's in
17 District 7, but I will yield to my fellow
18 Commissioners.

19 COMMISSIONER BELL: Okay. Maybe we can try
20 to resolve that, explore. What is the pleasure of the
21 Board at this time?

22 COMMISSIONER MOORE: Let's table it for
23 discussion.

24 COMMISSIONER BURTON: Yeah. Let's table it
25 for discussion.

1 COMMISSIONER BELL: Discussion, at the next
2 meeting?

3 IDENTIFIED SPEAKER: Why? Do it now.

4 COMMISSIONER BURTON: The next full Board
5 Meeting.

6 COMMISSIONER BELL: This is a full Board
7 Meeting. We have a quorum. It's a full Board Meeting.
8 Okay. Keep that in mind.

9 COMMISSIONER DEWAELESCHE: Where were we the
10 last time we went to a high school? Weren't we on the
11 West Side already?

12 COMMISSIONER BELL: No. We was on the
13 Eastside.

14 COMMISSIONER DEWAELESCHE: So we have been on
15 the Eastside twice.

16 COMMISSIONER MOORE: The West Side of Detroit
17 has been ignored.

18 COMMISSIONER BELL: Okay. Why don't we do
19 this --

20 COMMISSIONER DEWAELESCHE: Well, let's work
21 our way from the bottom up. Southwest Detroit and then
22 West Detroit?

23 COMMISSIONER BELL: I like West. In terms of
24 preplanning, November is almost here.

25 IDENTIFIED SPEAKER: That's right.

1 COMMISSIONER BELL: And that would give us an
2 opportunity to work it up in terms of logistic and all
3 of that. So what is the pleasure of the Board in terms
4 of Southwest Detroit?

5 COMMISSIONER MOORE: Specifically --

6 COMMISSIONER DEWAELESCHE: I would like to
7 have us go to Southwest Detroit.

8 COMMISSIONER MOORE: I support.

9 COMMISSIONER BELL: Okay. There seem to be a
10 general consensus that we are going to go to Southwest
11 Detroit. And Commissioner Moore has consented to that
12 also.

13 COMMISSIONER DEWAELESCHE: Thank you,
14 Commissioner.

15 COMMISSIONER BELL: Let the record reflect
16 that we are going to Southwest Detroit. And we will
17 work up the logistic and you can perhaps spearhead it.

18 COMMISSIONER DEWAELESCHE: I will be happy to.
19 Thank you.

20 COMMISSIONER BURTON: Through the Chair, I
21 think we should also go to King, as well, since that is
22 in District 5.

23 COMMISSIONER BELL: We will take that up next
24 year. We will take that up next year.

25 IDENTIFIED SPEAKER: We will wait.

1 COMMISSIONER BELL: Okay.

2 COMMISSIONER BURTON: Not this year. Next
3 Board Meeting.

4 COMMISSIONER BELL: Okay.

5 COMMISSIONER DEWAELESCHE: And Mr. Chair, if I
6 may recommend that we have somebody from the Recruiting
7 Department there, as well.

8 COMMISSIONER BELL: Yes, ma'am.

9 A.C. DOLUNT, would you help us? We want --

10 A.C. DOLUNT: Sure.

11 COMMISSIONER BELL: -- I think we might have
12 mentioned, I don't know if we formulated that, it would
13 be great to have Recruiting at Osborn High School.

14 A.C. DOLUNT: Next week?

15 COMMISSIONER BELL: Yes, next week. We are
16 targeting juniors and seniors.

17 A.C. DOLUNT: Okay.

18 COMMISSIONER BELL: I don't know the overall
19 population but we talked about trying to reach out. I
20 know you have got some -- a couple programs on the West
21 Side.

22 A.C. DOLUNT: 1:30, right?

23 COMMISSIONER BELL: That's 1:30 p.m., right.

24 A.C. DOLUNT: Todd, can we do that? We are
25 all working. We have the Halloween Task Force. Okay.

1 COMMISSIONER BELL: Okay. That's the kickoff
2 of the Halloween Task Force.

3 A.C. DOLUNT: Right.

4 COMMISSIONER BELL: It's going to happen
5 early afternoon.

6 A.C. DOLUNT: Yeah.

7 COMMISSIONER BELL: The reason why we looked
8 at timeframe, because school thought it would be an
9 idea to remind young people as they go out venturing
10 that weekend, you know, all the kids get in trouble not
11 knowing. So anyway, that's the target date and time.
12 Thank you for bringing this to a head in terms of we
13 now have another location in terms of Southwest
14 Detroit.

15 COMMISSIONER DEWAELESCHE: Thank you.

16 COMMISSIONER BELL: Thank you.

17 So that speaks to -- are we meeting -- the
18 next Community Meeting will be in the 6th Precinct. I
19 am just not going to respond to that particular issue.

20 IDENTIFIED SPEAKER: Yes, sir.

21 COMMISSIONER MOORE: Yeah. Just a point
22 clarification. It says place to be determined. That's
23 going to be at the Boys and Girls Club on Tireman, the
24 November 12th meeting.

25 COMMISSIONER BELL: Well, it appears that we

1 have gone to the Boys and Girls Club three times. I
2 think we really need to reconsider another location,
3 and not go to the same locale, because I think there's
4 other areas of the 6th Precinct that we should really
5 reach out. So if the Board would entertain it, it is
6 not my decision, it's the Board decision, but we have
7 been to the Boys and Girls Club on three different
8 occasions since -- the last two years. So if we could
9 entertain that, another location, that would be more
10 feasible to try to reach out another target audience.

11 COMMISSIONER MOORE: Well, you know, the
12 precinct picks these locations.

13 COMMISSIONER BELL: Well, I think the Board
14 makes the final determination.

15 COMMISSIONER MOORE: Well, that might be
16 true, but we are talking about time constraints,
17 Mr. Vice Chairman. So I would say that we do go with
18 the Boys and Girls Club for this one. And next year
19 maybe we can consider somewhere else.

20 COMMISSIONER BURTON: And I support it, as
21 well, Mr. Chair, and Commissioner Moore.

22 COMMISSIONER MOORE: Thank you.

23 COMMISSIONER BELL: Well, we are not making a
24 cinch this time. It's on the post. So we can have
25 that later discussion.

1 COMMISSIONER MOORE: I talked to Walton a
2 couple days ago. And he is prepared to present at the
3 Boys and Girls Club.

4 COMMISSIONER BELL: Well, let's have a
5 discussion.

6 COMMISSIONER MOORE: Okay.

7 COMMISSIONER BELL: I would appreciate it.

8 COMMISSIONER BURTON: Mr. Chair, no
9 disrespect, but since it is already down for the Boys
10 and Girls Club, I think that --

11 COMMISSIONER BELL: It don't say the Boys and
12 Girls Club at all. It just says to be determined.

13 COMMISSIONER MOORE: Just a point of
14 clarification, the Captain is in the mindset of
15 presenting at the Boys and Girls Club, so I support my
16 Captain at the 6th Precinct.

17 UNIDENTIFIED SPEAKER: All right, then.

18 COMMISSIONER BELL: Okay. We can move on.

19 Oral communication from the audience. This
20 is your opportunity to come before the Board. You have
21 a limited time of two minutes. Please give your name,
22 if you are affiliated with an organization, that would
23 be great. Please be respectful because we are
24 respectful of you. You have the mic. Don't be shy.
25 Just come forward.

1 MS. HUPP: Hello, I am Carolyn Hupp, a
2 citizen of Detroit.

3 COMMISSIONER BELL: Yes, ma'am.

4 MS. HUPP: And my -- I want to speak briefly
5 concerning -- they said the Police Department is taking
6 over -- has taken over the Animal Control Department.
7 Yes, no?

8 A.C. DOLUNT: That's been changed. We had
9 the Animal Control. I believe it went back, one of the
10 other departments downtown.

11 Todd, correct me, is it this week or next
12 week that they are moving back? Animal Control. They
13 took it away from the Police Department.

14 COMMANDER BETTISON: Within the next two
15 weeks.

16 A.C. DOLUNT: In the next two weeks. They
17 took it away from us. I shouldn't say they did. The
18 City reorganized. I'm sorry.

19 MS. HUPP: So are you saying you are getting
20 it back or you are not?

21 A.C. DOLUNT: No, no. We are getting out of
22 the dog business.

23 MS. HUPP: Getting out of the dog business.

24 A.C. DOLUNT: Sorry.

25 MS. HUPP: Okay. Then I guess -- you will

1 let me know who --

2 A.C. DOLUNT: No, if you need to --

3 COMMISSIONER MALLETT: But do you have a
4 complaint? Do you have an issue that you want to
5 present?

6 MS. HUPP: Yeah, see --

7 COMMISSIONER MALLETT: Please do so.

8 MS. HUPP: What I wanted to do, I was
9 presenting a proposal to the United States Labor
10 Department to make the Animal Control officer position
11 as an apprenticeship. And so I wanted to present that
12 more or less to you all to support that effort of
13 making that position as an apprenticeship.

14 COMMISSIONER MALLETT: Mr. Chairman, can we
15 perhaps have her get with Ms. Bernard to see what the
16 proposal would look like and then --

17 COMMISSIONER BELL: We could entertain that.
18 If you would meet with Ms. Bernard after the meeting,
19 share your information, contact information, we can
20 take it from there.

21 MS. HUPP: Okay.

22 COMMISSIONER BELL: And thank you.

23 MS. HUPP: You're welcome. Thank you.

24 COMMISSIONER BELL: Any others?

25 DR. DIVERS: Good afternoon. I am Arthur

1 Divers. I am the liaison for George Cushingberry,
2 Councilman for District 2.

3 I notice you have discussed the marijuana
4 centers, medical marijuana centers. And I just wanted
5 to bring you up to date.

6 First, it will be before the City Planning
7 Commission, and they will be talking about Chapter 61
8 of the City Charter. And the time is really what I
9 want you to be aware of. It is 4:45, 4:45. It is in
10 the Coleman A. Young Building, 13th Floor, the Erma
11 Henderson Auditorium.

12 The other thing I do want you to -- you need
13 to get there early. Like I say, early, because it is
14 going to be packed.

15 COMMISSIONER CRAWFORD: Pardon me, sir, what
16 date is that?

17 DR. DIVERS: Same date.

18 COMMISSIONER CRAWFORD: Oh, the same date.

19 DR. DIVERS: It is the 29th of October,
20 Thursday. But the time is 4:45. You come there at
21 5:30, you will hardly get in the auditorium.

22 COMMISSIONER CRAWFORD: Yes, sir.

23 DR. DIVERS: Okay. Now, this is for the
24 zoning as of where these facilities are going to be
25 located. There is -- in there they are talking about a

1 thousand feet from churches, schools, senior citizen
2 places, and so forth. That's an area of major
3 contention, but I do want you to know that it is
4 starting at 4:45, and it is the same date, 29th,
5 Coleman A. Young Center.

6 Any questions?

7 COMMISSIONER BELL: Thank you for sharing
8 that information, Dr. Divers.

9 COMMISSIONER CRAWFORD: Thank you. Good
10 information.

11 OFFICER SMITH: Hello, Board. How are you
12 doing? I am Chad Smith. I am an officer of the Police
13 Department.

14 A little over a week ago, I sent an e-mail to
15 Mr. Brown. He said he forwarded it to you guys
16 regarding the promotional exam, and the fact that there
17 are like 188 officers, police officers, that passed the
18 exam, but won't get to move forward to the next
19 process. Right now currently, they are only taking
20 178. And that's based off of 26 percent was just the
21 exam score. I don't know if you guys actually looked
22 at the e-mail, had a chance to look at it. I was
23 just -- wanted to bring it to the Board to see if that
24 is something that can be brought up, that we can
25 discuss and talk about.

1 COMMISSIONER MOORE: Through the Chair, I
2 have a question.

3 OFFICER SMITH: Yes, sir.

4 COMMISSIONER MOORE: Did the union play a
5 role as far as observing the process from the beginning
6 to the point where you are now?

7 OFFICER SMITH: I am not exactly sure. I
8 know the union right now is taking the process as far
9 as court proceedings to get those other 188 officers to
10 be allowed to move forward to the next part. That's
11 all I know on that right now.

12 COMMISSIONER BELL: Officer Smith, why
13 don't -- I think we received your communication about a
14 couple of weeks ago.

15 OFFICER SMITH: Yes, sir.

16 COMMISSIONER BELL: And we will direct our
17 Attorney to the Board that's present at this meeting
18 here to look into the matter and respond to you in the
19 future in reference to this particular issue.

20 OFFICER SMITH: I would appreciate that.

21 COMMISSIONER BELL: And I would suggest that
22 any other appearance you make of this nature, don't
23 refer to the Board as "you guys."

24 OFFICER SMITH: Excuse, me sir. I am sorry.

25 COMMISSIONER BELL: We are a Board. And you

1 need to know that in terms of public speaking, that not
2 just "you guys." Okay. I think that would be very
3 helpful in terms of your, you know, coming before a
4 body.

5 OFFICER SMITH: No problem. I appreciate it.
6 Thank you very much.

7 COMMISSIONER BELL: Okay. So with that, yes,
8 sir?

9 A.C. DOLUNT: Through the Board, to address a
10 couple of things. It's not my part of the equation,
11 but I have a little bit of information on this.

12 He is correct. Not everyone who passed was
13 going to the next step. There are two reasons for
14 that.

15 One, the testing was scored on a curve. So
16 it may not be the true score.

17 Second was, based on the need for sergeants
18 and lieutenants, and the cost for the assessment center
19 was a little prohibitive, or it is my understanding
20 that they had a set number of filing number and the
21 Chief said, no, we need to add more people. And so he
22 pushed for that. But for the more people you had, the
23 more costs for the assessment center as far as bringing
24 people in. So I don't know if they told the officers
25 that anywhere in the process.

1 Now, I have heard these complaints before,
2 not just from him. And I understand the consternation
3 of the officers that are not going to the next step.
4 But that was the reasoning. So based on cost and how
5 many individuals we believe we would have sergeant
6 spots for, because I am not sure -- I think we are
7 short 78 sergeants right now, I believe. And you said
8 how many?

9 OFFICER SMITH: There are 366 that passed the
10 test altogether. 178 will move on to the next phase.
11 So that leaves out 188 that did pass the test that
12 can't move forward.

13 A.C. DOLUNT: It does. And I believe they
14 took 100 and whatever, 178 names that were moving
15 forward because they figured there would only be so
16 many slots. And they want the first phase based on the
17 test scores. And I think the next phase will be on the
18 assessment. And they will rank them from there. And
19 then they will add the college credits and whatever
20 else, but that's my understanding, that's the reason.
21 But that's what I am told.

22 COMMISSIONER MOORE: Just a quick question,
23 through the Chair, if I may.

24 You mentioned the term "passed the test."

25 OFFICER SMITH: That's correct, sir.

1 COMMISSIONER MOORE: What does that mean?

2 OFFICER SMITH: Seventy or better in the past
3 has been a passing score.

4 COMMISSIONER MOORE: You said in the past or
5 currently?

6 OFFICER SMITH: There was no percentage given
7 this time.

8 COMMISSIONER MOORE: Oh, it wasn't given.

9 OFFICER SMITH: There was no percentage given
10 this time.

11 COMMISSIONER MOORE: Okay. So you are pretty
12 much going off past practice.

13 OFFICER SMITH: That's correct. What I did
14 forward to the Board was the correspondence from the
15 initial announcement up until the letter that I
16 received saying that I could not move forward, and
17 then -- to establish a timeline with all the
18 information in it.

19 COMMISSIONER BELL: Well, Officer Smith, as I
20 stated, we will look formally into this matter, with
21 Chief Craig and the Director of Personnel through the
22 legal attorney, and give you a formal reply as soon as
23 possible.

24 OFFICER SMITH: Thank you, sir. And I
25 apologize for not addressing you guys as the Board.

1 (Multiple inaudible unidentified speakers).

2 COMMISSIONER BELL: Thank you, Officer.

3 MR. BENAVIDES: Good afternoon.

4 COMMISSIONERS: Good afternoon.

5 MR. BENAVIDES: First of all, thank you for
6 the opportunity to address the Board here with the
7 concern. And ask for consideration on an issue that's
8 important --

9 COMMISSIONER BELL: Could you identify
10 yourself?

11 MR. BENAVIDES: -- to me, as well as others
12 in the community.

13 My name is Ago Benavides. I have an Allstate
14 Insurance Agency here in Southwest Detroit about two
15 miles from here. I really come to ask to see if
16 anybody needed auto or home or life insurance. If you
17 do let me know. But I am down the street here.

18 But anyways, on a more serious note, the
19 gentleman over here expressed he was in charge. I
20 wanted to talk about the community. He mentioned the
21 community and the importance of the community. And
22 here in Southwest Detroit, where my office is located,
23 I not only have the Allstate Insurance office here in
24 Southwest Detroit, but I also have -- I own the
25 Giovanna's Lounge here on West Vernor Highway. So

1 everything that goes on in Southwest Detroit is very
2 important to me.

3 I wanted to come before you to express a
4 concern or ask for consideration that we keep our
5 Hispanic bilingual-speaking officers in Southwest
6 Detroit. It is an asset to the community. It is an
7 asset to the Police Department.

8 We talked a little bit earlier about
9 recruiting. What a better place to recruit when young
10 people see someone they can emulate.

11 So I just wanted to come because I have a
12 client that is currently being transferred. And that
13 concerned me. He is being transferred out of Southwest
14 Detroit to another part of the city, where it may be
15 Spanish isn't as prevalent. So I wanted to just come
16 and express that and ask for consideration.

17 I know there are labor agreements and
18 policies and procedures and all of those things. But
19 there's got to be a way that we can keep these people
20 here.

21 A.C. DOLUNT: Can I address that?

22 COMMISSIONER BELL: Yes, sir.

23 A.C. DOLUNT: A veteran or rookie officer?

24 MR. BENAVIDES: It's an eight-year person.

25 A.C. DOLUNT: Okay.

1 MR. BENAVIDES: His name is Miguel Aguilera
2 (phonetic).

3 A.C. DOLUNT: And East or West? Where is he
4 going?

5 MR. BENAVIDES: West I believe.

6 A.C. DOLUNT: Probably Number 6.

7 MR. BENAVIDES: I am not sure.

8 A.C. DOLUNT: Well, there is a Hispanic
9 population there, on the border of Dearborn.

10 As a rule, we have tried to keep
11 Spanish-speaking officers in Southwest. For a while,
12 we used to -- we are trying to keep Arabic-speaking
13 officers in Number 6. We also have a -- getting a
14 larger contingent of Hispanics in the 6th.

15 So I am not sure where you are going, to be
16 honest with you. I think, this is just me, while I
17 agree with you, we need diversity across the board,
18 because there are Hispanics, maybe not as many on the
19 Eastside or the 11 or Number 12, it is good to have --
20 because say you are driving through the Eastside, and
21 you are pulled over for whatever, you don't speak
22 English. I think it is good to have someone available
23 that can speak English, Arabic. Or Number 9, we have a
24 Hmong population. 11 we used to have a huge Chaldean
25 population. So -- and we are also trying to put Arabic

1 officers also in Number 4, as well. So we are -- for
2 the most part, we are trying to keep the majority of
3 our Hispanic officers in Southwest.

4 So I don't know the situation, why he is
5 being transferred. But I guess he can -- he can call
6 me, because everyone else does. He can call me direct.
7 And then I have -- his chain of command, he can call
8 me, serious, everyone else does. So just tell him to
9 call A.C. Dolunt. And he knows who I am.

10 MR. BENAVIDES: Okay.

11 COMMISSIONER DEWAELESCHE: Mr. Chairman, may I
12 make a comment?

13 Just, you know, we do have a serious, serious
14 recruitment problem in the Detroit Police Department in
15 terms of recruiting bilingual. And until we can
16 address that problem, and increase the number of people
17 who are bilingual, I strongly urge the Department to
18 keep, you know, Spanish-speaking officers in the high
19 priority or the highly densely populated Hispanic
20 communities. Until we can increase the numbers, we
21 should be keeping them where they are desperately
22 needed.

23 You know, I agree with you, Mr. Benavides. I
24 also understand exactly what Deputy Chief is saying.
25 But we just don't have the numbers to be able to put

1 Hispanic -- or bilingual police officers in areas where
2 the population is starting to increase. We have so
3 many.

4 And I can tell you that we have new migrating
5 populations coming to Southwest Detroit, from Central
6 America, that are monolingual, don't even speak English
7 at all. So I mean -- and it keeps increasing.
8 Southwest Detroit is one of the only areas in the city
9 of Detroit that continues to grow every year. And we
10 continue to get new, you know, immigrant communities
11 from Central America.

12 So I am just saying the need is very, very
13 desperate. And I think that should be the priority in
14 terms of making that decision.

15 MR. BENAVIDES: I just wanted to restate the
16 community part, working with the Department, obviously
17 you know better than I the importance of that, and from
18 a recruiting standpoint, seeing one of the same
19 obviously attracts.

20 A.C. DOLUNT: And I think we just had a --
21 Todd, didn't we just have Recruiting down in Southwest
22 recently?

23 COMMANDER BETTISON: Yes, sir, we did.

24 A.C. DOLUNT: That's Commander Bettison. I
25 think it was last month.

1 COMMANDER BETTISON: It was a month ago.

2 A.C. DOLUNT: At your behest.

3 COMMISSIONER DEWAEELSCHÉ: We are. We are
4 actively recruiting.

5 A.C. DOLUNT: Okay.

6 COMMISSIONER BELL: We are going to address
7 your concern because Commissioner Moore and I attended
8 a forum held by Michigan United, a large population
9 from the Hispanic community. And they reported out
10 that basically the reason why that particular precinct
11 in that area might have low crime stat, because people
12 do not communicate with the police for several reasons.

13 COMMISSIONER DEWAEELSCHÉ: That could be part
14 of it.

15 COMMISSIONER BELL: The language is the
16 reason, one of the issue, and immigration, another part
17 of it. So it is a huge problem.

18 I am glad this Board has voted to move
19 towards having our next community meeting in Southwest
20 Detroit, and you could be part of that by working with
21 Commissioner Dewaelsche prior to in terms of
22 establishing a format that we are going to engage,
23 especially in recruiting and that whole issue that you
24 just raised this afternoon.

25 So we want to thank you for your time and

1 your input. Looking forward to that.

2 MR. BENAVIDES: Okay. And thank you for your
3 time. I would just ask -- I know that recruiting is
4 important, but in the meantime, that we consider
5 keeping the ones we have.

6 COMMISSIONER BELL: Well, I think Assistant
7 Chief, you know, entertains your concerns. I don't
8 know how he can respond. And you heard Commissioner
9 Dewaelsche, I am pretty sure she is going to weigh in
10 on it. So if there is anything might add with that, we
11 don't know. But that's an area that you brought to our
12 attention. We appreciate it.

13 MR. BENAVIDES: Thank you for the opportunity
14 again.

15 COMMISSIONER BELL: Yes, sir.

16 COMMISSIONER DEWAEELSCHÉ: Thank you.

17 MS. SMITH: Good afternoon. What a meeting.
18 I am very proud of everyone that's sitting on the
19 Board, and you, A.D., as usual.

20 UNIDENTIFIED SPEAKER: A.D.?

21 MS. SMITH: Well, Deputy.

22 A.C. DOLUNT: Why do you always demote me?
23 It's Assistant Chief, Ms. Bernice.

24 MS. SMITH: Assistant Chief. I am so sorry.

25 A.C. DOLUNT: Okay.

1 MS. SMITH: But I was so thrilled. I mean,
2 the meeting was so interesting today. It wasn't short,
3 at no 3:30. And all of you participated, and I am just
4 very happy to still be here.

5 Now, I only have two things that I want to
6 say. I want to let you know something. And I am glad
7 that the Chief is over in shack town because look what
8 they want to do to the Police Chief over there. So
9 maybe he can get him some pointers about how to combat
10 crime over there. Because they want to get rid of the
11 Chief over there. So I got this through my mail. They
12 keep me advised on what's going on.

13 What I would like to know, did I forget what
14 I was going to say? I probably did.

15 Oh, in regards to Smith. Smith, I am a Smith
16 too, so I am behind you all the way as far as the
17 recruit is concerned, because I have stated it over and
18 over again, we need more police out in the
19 neighborhoods. Because they are not visible enough for
20 the people. And we do need them.

21 And Southwest Detroit, my history with
22 Southwest Detroit goes back to the '80s. My children
23 graduated from Western High School. I was active over
24 there from Maybury to Western. So I know what you mean
25 about having policemen to be in that particular area,

1 because it is increasing over there. They still
2 have -- Brown, you got that -- they still have the
3 activities over there. The 300 was over there. We
4 were looking for criminals in that area over four years
5 ago. So it is a migrating area. And they are being
6 increased. So it will be a good idea. That idea came
7 up ten years ago when we had the Fort Street Police
8 Station. So it is not something new that's coming up.
9 So I hope that you work on it and you will make some
10 kind of reservation in regards to it.

11 Now, Mallet, you have done a good job today.
12 You and Bell has really communicated. And I am very
13 happy with the two of you. It is good to have a little
14 laughter sometimes in this meeting.

15 So again, I thank you for your presentation.

16 And I didn't tell you my name, Bernice Smith,
17 political activist. I am sorry. Thank you.

18 COMMISSIONER BELL: Thank you.

19 COMMISSIONER DEWAELESCHE: Thank you.

20 COMMISSIONER BROOKS: Thank you.

21 MS. BENNETT: To the Board, my name is Vera
22 Bennett, and I am an intern at Wayne State University.
23 And I am currently serving an internship at GRDC, on
24 Grandmont Rosedale Development Corporation.

25 And I have a question in regards to the

1 medical marijuana dispensaries.

2 I attended a meeting this week on Senator
3 Knezek. And there was a well-informed citizen there,
4 also a professor at Wayne State University in social
5 work. And she made the same statement that our Officer
6 Steven Danaught (phonetic) made in reference to the
7 medical marijuana dispensaries not being in the
8 suburbs, only in Detroit. The way it was -- is being
9 dispensed outside of the city is, it is being taken to
10 the patient that needs it.

11 And my question is, why is it that if the
12 citizens of Detroit are expressing that we do not want
13 the medical marijuana dispensaries in our community,
14 why is it that we have to go through so many steps?
15 Who is it that said, yes, Detroit, they should be in
16 Detroit? And not outside of Detroit.

17 COMMISSIONER BELL: Commissioner Mallett?

18 COMMISSIONER MALLETT: Yes, you know what,
19 Mr. Chairman, that's a very fair question, you know
20 what we keep forgetting, and this is something that I
21 think that is part of the leadership in the community
22 in which we are all a part. We are going to have to be
23 a lot more diligent and aware. We probably -- and I
24 will speak only for myself -- when this issue was on
25 the ballot, I was not actively involved in the

1 opposition movement. And I don't know that there was
2 one. I voted no. But we have some kind of ordinance
3 that allows it. And I think that probably what we see
4 now is the evidence of the fact that leadership, and I
5 am only speaking for myself, missed an opportunity to
6 meet our responsibility and remind the citizens that
7 this is not fun and games. And I do think,
8 Mr. Chairman, that probably one of the things that is
9 going to have to happen is that we are going to have to
10 gather ourselves up in an organized manner and repeal
11 this thing. I know it is going to be very hard to do,
12 and I know that the opposition will be very, very
13 well-financed, but the degradation of our community is
14 going to be fueled by this. And, you know, we have
15 to --

16 The Board of Police Commissioners passed a
17 resolution, we are opposed. What we might want to do,
18 Mr. Chairman, is ask the Legal Department in our case,
19 one, to get us a copy of the ordinance that was adopted
20 by the citizens. I don't remember, Ms. Bernard, how
21 many years ago that was. But their presence is
22 something that we voted on. And I will be the first to
23 say that we made a mistake. And I will be the first to
24 say that collectively we ought to do something about
25 it.

1 MS. BENNETT: Yes.

2 COMMISSIONER MALLETT: So I think that what
3 you are seeing is, is you reap what you sow. And in
4 this particular instance, the political leadership in
5 the City was asleep at the wheel. This thing passed.
6 I don't know that we concluded that it would not, but I
7 know that I didn't do anything to create an organized
8 effort against it. And now you see what happens when
9 you are not vigilant. And we were asleep at the wheel.
10 And we are going to pay the price until we can reverse
11 this thing. Because it is a mess.

12 MS. BENNETT: Yes, it is. And there was a
13 shooting next door to our building, in the middle of
14 the afternoon on Grand River last -- well, a week
15 before last.

16 COMMISSIONER BELL: Well, ma'am --

17 COMMISSIONER MALLETT: At the medical
18 marijuana?

19 MS. BENNETT: Yes, at the medical marijuana
20 center. And a raid.

21 COMMISSIONER BELL: I just want to state that
22 all information, you can contact Councilman James Tate,
23 he is spearheading this movement. And they are looking
24 at this -- a couple of bills in Lansing in reference to
25 this issue. And my understanding, just on the media,

1 there is going to be a legal fight for the City of
2 Detroit to legalize before even scrutinize that. So
3 this is going to be a really serious issue. These
4 people are not going to go away easily.

5 COMMISSIONER MALLETT: I agree.

6 COMMISSIONER BELL: They are there. So
7 hopefully, you and your neighbors and others will be a
8 part of this effort to enlighten people that they need
9 to stand firm, as Commissioner Mallett stated. The
10 horse is out of the barn. And they are here. So they
11 are not going to go away overnight. There is to be a
12 legal fight in reference to this, try to scrutinize the
13 zoning and the whole ordinance process. So thank you
14 for coming before this body. We are aware. I am
15 pleased that we are going to go forward with a
16 resolution. And we have been updated on the different
17 issues. But this is going to be a legal issue in
18 reference to this matter. Simple as that. Thank you.

19 MS. BENNETT: Thank you.

20 COMMISSIONER MOORE: Through the Chair, for
21 Commander Bettison, do we know what year that was
22 passed in the state?

23 COMMISSIONER MALLETT: I know -- excuse me.
24 I don't know when it was, but it was not that long ago.

25 DR. DIVERS: Initiative.

1 COMMISSIONER MALLETT: Yes, sir.

2 DR. DIVERS: It was an initiative. And it
3 was ratified by some 60 percent or more of the
4 population of the state.

5 COMMISSIONER BELL: State of Michigan.

6 UNIDENTIFIED SPEAKER: 2008.

7 COMMISSIONER BELL: Thank you.

8 Yes, sir?

9 COMMANDER BETTISON: Commander Todd Bettison,
10 for the record.

11 Just wanted to make the Board aware of today
12 is Code 22.

13 COMMISSIONER BELL: Yes.

14 COMMANDER BETTISON: And that at 7:00, this
15 evening, myself, along with the chairperson from the
16 Board of Police Commissioners, Lisa Carter, who along
17 with other political folks and representatives from the
18 community, be expressing the value of today, meaning a
19 day of peace. And Mayor Duggan issued a proclamation
20 that it is Code 22, and this was spearheaded by Pastor
21 Ovella. And approximately five years ago it was a
22 proclamation given by Mayor Dave Bing with this being a
23 day of peace. And this is a message from Detroit
24 that -- to the nation -- we want peace. And just
25 bringing awareness to the fact of peace and giving

1 young folks in the community and everybody else an
2 option that it can be another way.

3 So everyone do what they can. Spread the
4 word.

5 We know that, you know, the media with songs,
6 with other things out there, movies, violence a lot of
7 times is promoted and glorified.

8 So, therefore, we want folks to tune down and
9 just take a breather, relax, and do things to promote
10 peace within the community. Just wanted to bring that
11 to everyone's attention. And the location will be in
12 the public room at 23821 Grand River Avenue, that's
13 today, at 7:00 p.m. So thank you, all.

14 COMMISSIONER BELL: Thank you for bringing
15 that to our attention. And I plan on attending. The
16 Chair might be a little bit late coming. So she has
17 asked me to be there on time. I am looking forward to
18 the interaction with you, all the way from the Eastside
19 of Detroit. I will travel to Grand River and
20 Eight Mile Road.

21 COMMANDER BETTISON: Into the community --

22 COMMISSIONER BELL: Worthwhile project.

23 COMMANDER BETTISON: -- absolutely. And
24 everyone is invited.

25 COMMISSIONER BELL: Yes.

1 COMMANDER BETTISON: So this is everyone
2 getting together to say, hey, Detroit sending a message
3 to America. Thank you.

4 COMMISSIONER BELL: Thank you.
5 Any other participant at the mic?
6 If not, the Chair would entertain a motion
7 for adjournment.

8 COMMISSIONER MALLETT: So moved.

9 COMMISSIONER MOORE: Support.

10 COMMISSIONER BELL: It's been properly moved
11 and supported.

12 Ready for the question.

13 Those in favor, aye?

14 COMMISSIONERS: Aye.

15 COMMISSIONER BELL: Those opposed?

16 Motion carried.

17 Thank you for your attendance. And all your
18 involvement here this afternoon. We will see you at
19 Osborn High School next week at 1:30 p.m.

20 (Meeting adjourned at 4:56 p.m.)
